Dear Ms. Miller:

As reflected in the attached letter, I am writing to provide notice pursuant to Supreme Court Rule 37.3(a) and to request your consent as counsel of record for Respondent, American Humanist Association, to our filing a brief on behalf of the International Municipal Lawyers Association (“IMLA”) in support of Petitioner in this matter.

Please let me know whether Respondent will consent to IMLA filing an amicus brief in support of Petitioner as indicated in the attached letter.

Thanks in advance.

Sincerely,
