

DISTRICT COURT, JEFFERSON COUNTY, COLORADO Court Address: 100 Jefferson County Parkway Golden, CO 80401	
PEOPLE OF THE STATE OF COLORADO, Plaintiff, v. WILLIAM ARTHUR LINDSEY, Defendant	▲ COURT USE ONLY ▲
	Case No.: 2012CR1487 Division 11 Ctrm: 4B
ORDER RE: MOTION FOR APPEAL BOND	

THIS MATTER COMES before the Court on Defendant William Lindsey's ("Defendant") *Motion for Appeal Bond* ("Motion"). The People of the State of Colorado ("Plaintiff") filed a response to the Motion on September 15, 2015. The Court, having reviewed the Motion, the Response, the Court file, and applicable law, makes the following findings and issues the following Order.

1. On August 5, 2015, Defendant was sentenced to twenty-four years in the Department of Corrections followed by five years on parole for six counts of Securities Fraud – Untrue Statements, 11-51-501(1)(b), C.R.S., (F3), two counts of Securities Fraud – Course of Business, 11-51-501(1)(c), C.R.S., (F3), and four counts of Theft Over \$20,000, 18-4-401(1),(4), C.R.S., (F3).
2. Under the applicable statute, §16-4-201.5(2), C.R.S., the Court may not grant an appeal bond unless the Court finds that the defendant: (1) is unlikely to flee and does not pose a danger to the safety of any person or the community; and (2) the appeal is not frivolous or is not pursued for the purpose of delay.
3. Among other circumstances, Defendant argues that he is a non-violent offender, that he is employed with strong ties to the community, that he has been cooperative with pretrial services, and that he has always appeared at every court setting. Nonetheless, the offenses committed were serious and the sentence was lengthy for the numerous economic crimes. The Defendant committed his criminal offenses arising from his past employments. Further, Defendant was on deferred judgment supervision for fraud in a previous case when he committed the offenses in this case. The case was delayed repeatedly before trial allegedly from communication issues between defendant and several lawyers.
4. The Court finds, after careful consideration of the factors outlined in §16-4-201.5, C.R.S., no

DOCKETED

extraordinary or peculiar circumstances that would make an appeal bond right or proper.

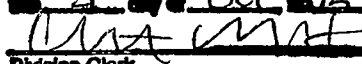

IT IS THEREFORE ORDERED that Defendant's Motion for Appeal Bond is **DENIED.**

Done in Golden, Colorado this ^{19th} day of October, 2015.

BY THE COURT:

Todd L. Vriesman
District Court Judge
