Case no. 17-6673

Supplemental brief: notice of reference information
regarding the "amended appellant's informal brief".

I, Douglas Warenback, petitioner, pro se, in proper person, proceeding in forma pauperis, hereby requests the Clerk of the Court to file this supplemental brief: notice of reference information regarding the "amended appellant's informal brief" pursuant to Rule 15.8 of this court.

In the "statement of the case" section of my petition I made references to the "amended appellant's informal brief". I just want to make sure it is the "amended" brief that is considered, not the original "appellant's informal brief". The "amended appellant's informal brief" was filed in the "Nevada court of appeals docket", not the "Nevada supreme court docket". The document number of this amended brief is "17-900840", filed on 4/28/17, NSC case no. 72280.

Under penalty of perjury, the foregoing is true and correct

Respectfully submitted, (Q
