INDEX TO THE APPENDIX (SUPPLEMENTAL)

Appendix page numbers are in continuation from the original document appendix.

SUPPLEMENTAL INTRODUCTION

There are no changes to the original document. New information received is furnished as an exhibit in continuation of the previous exhibit numbers.

Petitioner has been extremely diligent in attempting to obtain the Original Note marked paid in full and cancelled. The State of Maine has a recorded discharge. (See App-31)

On Saturday, December 2, 2017, Petitioner received a letter from Mr. Cooper f/k/a Nationstar Servicing LLC dated November 24, 2017. (See App-61)

This letter confirms that the loan that Petitioner believed *Petitioner paid in full* in December 2013 is still open with the Bank of New York Mellon while being serviced by Mr. Cooper. (See App-61)

CONCLUSION

This new document received proves the fraud. This fraud, through illegal discharges of Mortgages, is negatively affecting millions of homeowners and is an issue of public importance.

Petitioner respectfully requests that this Court address this very serious issue and allow the case to be heard.

Respectfully submitted
