In re DAVIS,

Petitioner,

UNITED STATES OF AMERICA,

Real Party In Interest.

Case No. 17-7388

**NOTICE OF DISTRICT COURT ORDER
and EXCERPTS OF RELEVANT
TRANSCRIPTS REFERENCES**

SUPPLEMENTAL

Petitioner Davis respectfully submits this Notice of District Court Order and Excerpts of Relevant Transcripts in this matter.

A copy of the United States District Court of Idaho ORDER is appended to this Notice as Attachment 1. This ORDER does not implicate any issue raised in the habeas petition, but notice is given because the ORDER was unexpected, and came three years after the motion being denied was filed. Petitioner has filed a Notice of Appeal on the denial of property return by the government.

Excerpts of Transcripts referenced in this matter identified on the Table of Contents are provided for the Court's convenience, and are appended to this Notice as Attachment 2. Notice has been delayed due to lack of access to only two working typewriters available to the 1300 inmates confined at Lompoc Low.

DATED this 6th day of February, 2018.

Daniel M. Davis
Pro Se Petitioner
