If major crime has been committed in Broward County, Florida by the Defendants in this case to knowingly, willfully, with pure hate towards other individuals to satisfy their thirst for greed, power, not only against Appellant, a true bred faithful loyal U.S. Government law enforcement official, but against the United States government in its entirety, to have been involved in a case as this - setting up an innocent child and with the school's participation - [Broward County - FL] to state and publish Appellant minor child to have a conviction simply when it is not true, then for defense - parts to begin harsh, bullying, the United States Supreme Court needs to step in and assist in this matter to get Full Truth of what has happened - Broward County is Sheriff Office is involved in big way - This is why they do not want to divulge in what has happened to Appellant child in this case, and especially their "cover-ups"!

Appellant Child's Education was inappropriately handled by the Broward County officials whom has shown to Appellant: Racism, Hate, Prejudice against One of U.S. Government Top official in carrying out work matters, Co-workers in a 100% top fashion always to serve and protect Our Country- The United States of America, Appellant admires Forever the Wonderful upbringing of her parents, Wonderful Parents whom have instilled in her to keep integrity at it's highest level always, and that is what Appellant has done. Appellant and her child in this case has been disrespectful by defendant's highly. Appellant has given her all, at all times to protect herself, family, friends, the United States, only to discover Broward County officials, people in general scheming NOT only to Defraud the U.S. Government, but to Destroy, Desperately through "Cult like" Groups of individuals of defendant's, people or Co-conspirators to harm Appellant and Her Family is truly Degrading and Humiliation at it's highest in this case

The degrading Actions Broward County School officials, Employees to have taken part in humiliating matters in this case involving Federal law enforcement officer, the Appellant, Child of Appellant to have suffered while trying to obtain the Education the Child was sent to school for by law - The very own school system failed 100% by 'falsifying' School records the Child truly was cheated of his education by all the Defendants.

School system, Defendants involvement or knowledge of Drugs fearing the Nation apart now, Drug 'Flakka' was given, placed on - Only Defendants, Broward Sheriff Office; something has happened and they know. Appellant Child with one concerned School Administrator feeling Appellant's concern, gave approval to seek private Education away from Broward County Schools for safety from what was going on; Appellant concern for safety

Appellant concern for her child's safety of which has turned out, the child's safety was in hands of uncaring, scheming to degrade and humiliate a Federal law enforcement officer and her family. Defendants are aware of what was going on from Broward County School's bus transportation, to the professional medical organizations involved in this matter. Appellant child was unable to study, from being irritable to the illegal drugs "Flakka" or other; The carefully devised, sought out 'sordid' details of the Physicians, School and Private; The County of Broward, Florida, all involved took a try at hate crime at it's highest to fool, take hard earned funds to be involved in a case like this. Appellant child was approached somehow, School Transport, Classroom[s], when child was in care of school officials to have administered illegal; harmful drugs to the child which would cause discomforts, with school officials observing the child as a severe behavioral condition, when the true answer

- The true answer to Appellant Child's problem in School, in hands of many questionable School officials and the Defendants themselves. Someone was illegally 'Drugging' Appellant Child while en route to school, and before returning home from school. SAD. Very SAD. This is why this case is very important to get the help, justice the Appellant and the Child needs now. I stressed importance of bringing my child to school and bringing him safely home. School officials stressed highly to assign Appellant Child to School Transportation. I trusted the officials. Appellant was fooled by the officials, the Defendants and all in this case. The Primary Doctor and other Doctors with all their conniving plans against Appellant and her child, carefully devised condition the child has never had; School officials included in this falsehood - one physician Defendant stated there was not anything wrong with Appellant Child. Broward Sheriff's Office Sergeant. All the Defendants work under the table, cover-ups. No one wanting to tell Appellant anything to help her child because they all -

They all, Broward County Sheriff
Office, The Doctors involved in this
matter to destroy an innocent
child of one of the United States
Government Finest, 100% integrity
law enforcement officers, the Appellant,
the matter is so intense, speculation
is confirmed, proof is confirmed -
Appellant Child was used for testing
purposes at the Dan Marino Neurologic
Center in Weston, Florida. The physicians
need to give accountability for that
highly and passionately: WHY!
What humiliate, and humiliate, and
humiliate. All involved in this case needs
to be polygraphed finely. Appellant's Child
health depends on it right now. Appellant,
the Child, Her immediate Family; the United
States of America need to be given justice in
this matter rightfully so. The Country Deserves The Truth;

The country needs to be rid of the illegal drug activity; Unlawful use of drugs to test, harm any individual as is unveiled in this Case. Appellant, her child are devastated to what has happened here; the Cover-ups; This is not Fair; Broward Sheriff office, the defendants and all involved in this Case Matter whom are aware to all the Details should be held highly accountable to this matter.

With truth, honesty and a Continued cry for help in this matter, Appellant concern for all to try and take away Appellant Child's Right to fight for justice in this matter, Appellant Proudly fights for him. Respectfully Submitted.
