IN THE SUPREME COURT OF THE
UNITED STATES

LEWIS WILLIAMSON, Pro Se

PETITIONER

V.

MOREHEAD STATE UNIVERSITY /

COMMONWEALTH OF KENTUCKY

RESPONDANTS

=====

PETITION TO FILE IN FORMA PAUPERIS

=====

The Appellant begs to proceed *in forma pauperis* pursuant to 28 U.S.C. § 1915 in the above-entitled action. APPELLANT asks to be relieved of the copy provision. I am unable to make full prepayment of fees or to give security therefore, and it is my belief that I am entitled to relief. I have not divested myself of any property, monies, or any items of value for avoiding payment of said fees. I am hereby submitting a financial affidavit in support of this motion. The Kentucky Supreme Court allowed Petitioner to file in forma pauperis.

Affidavit in Support of Motion

I swear or affirm under penalty of perjury that, because of my poverty, I cannot prepay the docket fees of my appeal (cert petition) or post a bond for them. I believe I am entitled to redress. I swear or affirm under penalty of perjury under United States laws that my answers on this form are true and correct. Appellant contends his total and permanent disability is because of negligent and intentional exposure of Appellant to asbestos by the Respondent. The defendant has shown intent to delay and obfuscate the issues in order to make the prosecution by the Appellant as expensive as possible and hoping that the disease will do their work for them. I swear or affirm under penalty of perjury under United States laws that my answers on this form are true and correct to

the best of my knowledge. (28 U.S.C. § 1746; 18 U.S.C. § 1621.)

Date: 1-10-2018 Signed: [Signature]

1. My issues on appeal are: Dismissal of personal injury claim, Commonwealth's use of a power never extended under the Federal and Commonwealth Constitutions (Sovereign Immunity). That "supposed" immunity was wrongly extended to Morehead State University (and others) in an attempt to avoid liability from massive asbestos exposure to Kentucky citizens in violation their civil rights both natural and constitutional (at least 11 different provisions of the combined bills of rights). Statute assignment to Board of Claims is abuse of the disabled via Droit du seigneur, denial of trial by jury and denial of due process.

2. For both you and your spouse, estimate the average amount of money received from each of the following sources during the past 12 months. Adjust any amount that was received weekly, biweekly, quarterly, semiannually, or annually to show the monthly rate. Use gross amounts, that is, amounts before any deductions for taxes or otherwise. 10. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

☐ Yes ☒ No If yes, describe on an attached sheet.

11. Have you spent – or will you be spending – any money for expenses or attorney fees in connection with this lawsuit?

☒ Yes ☐ No If yes, how much: \$ Already spent at least \$6000.00 (much of this is medical bills which are unpaid) and expect to spend about \$5000.00 more as the issues will go to the US Supreme Court and likely the UN court for Crimes against Humanity. Petitioner is actively looking for a competent attorney in US Supreme Court practice.

12. Provide any other information that will help explain why you cannot pay the docket fees for your appeal. **I have a current Workers**

Compensation claim in progress: The insurance company and this defendant's strategy entails delay, starving me out and causing as much expense as possible. (The defense deposed the University examiner but I had to buy a transcript to file the

deposition with the worker's comp system). Governor Matt Bevin disappointed judge Otto Wolf (2 years on my workers comp case) while stacking the court, and at the same time appointed ALJ Jane Williams my case. (Depose Judge Otto Wolff to get the rest of this manipulation story!) The ALJ (Williams) seems eager to do anything the defense wants, even putting my case in abeyance until this case settles; conditioning the progress of my Comp case on my disposing of this suit (blackmail) despite the university examiner and Judge Wolff finding in my favor! The conferences and depositions have entailed long and expensive trips (Louisville, Lexington, Morehead, Pikeville, Florence) (I even traveled at their convenience to the defendant's place of

work for my deposition), often requiring overnight stays as my travel tolerance is limited. I have had to hire drivers, assistants and nursing for my wife during my absence (still owe for). Proceeding pro se, I expected to be taken advantage of, but this defendant has taken it to a completely new level, so I expect the expenses to only escalate. Unpaid medical bills exceed \$6000, legal expenses exceed \$4,000, and personal loans to pursue this case exceed \$3000.00. The defendant's strategy is obvious and dual, a. "buy a verdict" by making justice too complicated and strenuous by using the "insiders" of the state system to ambush the claimant, and b. to "delay, delay, delay", in order to either impoverish the appellant or create increased stress to bring about the death of the claimant! Appellant has had to relocate as a refugee to Tennessee due to the harassment by arms of the Commonwealth (food stamps, Medicaid, health insurance, etc.) that were sending verification materials repeatedly with threats of legal action if I did not fill out the repetitious forms. Forms turned in at the local state offices were somehow "lost" and I would be required to turn them in repeatedly! The state of KY was trying to bring about my death, or incarceration, by increased stress from its manipulation of my health insurance, SDDI, food stamps and similar benefits while hoping I would make a mistake they could prosecute! By keeping the Appellate occupied with "mandatory" paperwork, the Appellate could not give proper attention to his workers comp and personal injury suits! The state withheld due benefits causing Social Security to deduct insurance payments for six months from my SSDI check.

13. State the city and state of your legal refugee residence. PO Box 64, Delano, TN 37325 daytime phone number: (423-244-) Your age: 62 Your years of schooling: 16 Last four digits of your Social Security number: 6090.
