1 AFFIDAVIT FOR SEARCH WARRANT

That the affiant's belief is based upon the following facts and circumstances:

(1) I, Sergeant Jr. Gregory currently work for the Lincoln County Sheriff's Office. I have approximately 9 years of law enforcement experience, the last 4 years with the Lincoln County Sheriff's Office. I currently possess an Intermediate Certificate through the Idaho POST Academy.

(2) On May 08, 2013 I, Sergeant Gregory with the Lincoln County Sheriff's Office was called by a Grandfather (Stephen Tanguy DOB [REDACTED]) advised me he thinks that his granddaughter [REDACTED] H.H. DOB [REDACTED] is being sexual abuse by an ex-boyfriend (Wilkinson, William R. DOB [REDACTED] AKA: Roger) of his daughter (Lindsay E. Tanguy DOB [REDACTED]). I set up an appointment at 15:00 hour to interview Stephen.

At 15:00 hour I made contact with Stephen we talked about why he thought [REDACTED] H.H. was being sexual abused by Roger. Stephen advised that in 2006-2008 Lindsay and [REDACTED] H.H. had been living with Roger at [REDACTED] in Shoshone, Idaho. Roger had been looking to marry Lindsay and she kept saying no. Lindsay moved out and Roger still kept in touch with them. Several months later, Roger filled for custody rights for [REDACTED] H.H. After several court dates the judge granted visitation rights with [REDACTED] H.H. and Roger. [REDACTED] H.H. would go to Roger's twice a month. Roger would buy thing for [REDACTED] H.H. like cell phones, clothes, and animals. Roger named the dog [REDACTED] too. Roger would tell [REDACTED] H.H. she could not see the animals unless she would come back to visit. Stephen advised me that Roger visits was cut down to once a month by the judge. [REDACTED] was told by Roger that she would not be able to see her dog and horses because she was cut down once a month for visiting. [REDACTED] H.H. was very upset about not seeing her animals. Stephen felt that Roger was grooming [REDACTED] H.H. for a while. Stephen advised me that there was a child protection case that Roger had filled against Lindsay and her boyfriend Jason Nelson which turned out is was not well founded. I advised Stephen that everything that he had stated was third hand and I would have to talk with Lindsay. Stephen called his daughter and we set up appointment for May 10, 2013 at 15:00 hours.

Update: May 10, 2013

Approximately 15:00 Lindsay and Jason arrived at the Lincoln County Sheriff's office for the interview. Lindsay stated that she had lived with Roger for about 2 years when [REDACTED] H.H. was about 18 months old to around 4 years old. Lindsay stated that the house was unfinished there was no sheet rock up for walls just 2X4's so you could see from room to room. Lindsey noticed as the relationship was going on Roger would spend more time on his computer. Lindsey asked about the time that Roger would spend on the computer. Roger would tell her that it was none of her business. Roger had pass words protected on his computer so she could not see what Roger was looking at. One day Roger let Lindsey used the computer. Lindsey got on the computer to pay bills and porn sites were still log on. One of them was "barely18." Lindsey confronted Roger about the porn site. Roger told Lindsey that he did look at porn. Lindsey advised that several times that Roger would dress up in her underwear and she would wrap Roger up in shrink wrap from head to toe. Then, she would poke a hole around his mouth area in the shrink wrap so

Roger could breath. Lindsey stated they would buy the shrink wrap in big rolls at Costco. One time, Lindsey stated that Roger had tied her wrists up and nailed the ties to the floor. Then, Roger tied her feet up and nailed those ties to the floor too. Then, Roger left and went to town and returned sometime later. Lindsey advised that Roger had a lot of porn around the house and sex toys. I asked what kind of porn. Lindsey stated young girls' porn. Lindsey stated after that kind of weird stuff was going on she moved out from Roger's home. Lindsey and her daughter H.H. moved to Hailey, Idaho. Roger called Health and Welfare on Lindsey and accused Jason of sexually molesting H.H. Health and Welfare looked into the case and it was unfounded. Roger still wanted to be with Lindsey and kept in touch with her. Roger asked Lindsey to marry him several times and Lindsey told him no each time. Roger still wanted to see H.H. because he told Lindsey that he was the only father that H.H. known. Lindsey agreed to let H.H. visit Roger. After, a while Roger went to the courts and obtained visitation rights to have H.H. two weekends a month. There was no child support granted however, Roger started to pay the biological father child support. Lindsey advised that the judge order Roger to stop paying the child support. H.H. would go to Roger's house and when she would come back she would be quit and not wanting to talk. H.H. would always have new clothes, or a different cell phone. Roger had purchase H.H. two bra's for her to wear. Lindsey stated that H.H. is too young for a bra. Roger would tell H.H. that the animals would miss her until she would come back. Roger purchase H.H. rabbits, a dog named [REDACTED], and horses for her to ride. Lindsey stated that Roger placed a tattoo portrait of H.H. face on his chest and showed me a picture that Roger had posted on Facebook. There were also some videos of H.H. in a bikini swimming. Lindsey stated that Roger has exposed H.H. to sexual porn contents at his house. H.H. wrote two web sites that H.H. school teacher passed to Lindsey. Lindsey showed me on a school lunch menu where H.H. wrote "finding sex mate" "finding girls." H.H. would have a different cell phone every time she would come back from Roger's. Lindsey stated that H.H. had an iPhone that Roger has given her that Roger told H.H. not to show mommy. H.H. showed Lindsey the iPhone and there was sexual content porn on the iPhone. H.H. is nine years old and has urinated on herself, and is starting to cry before going to Roger's house. I agreed that we had enough to do a CARES interview. Lindsey was worried that H.H. would not talk in CARES because, she is very shy. H.H. told Lindsey that if she get Roger in trouble that she could not see her animals. I asked her not to talk to H.H. about any of this before the CARES interview. I called CARES to set appointment up the date was set on May 22, 2013 at 09:00 hours.

Update: May 13, 2013

I called Health and Welfare (H&W) to check on the case against Jason on the possible sexual molestation. I received the report from H&W and found in 1999 that Roger had been investigated by Kevin Ellis with the Lincoln County Sheriff Office of molesting a young boy in Richfield Idaho. Ellis set up a CARES interview and there was no discloser on the molestation.

The case that there was a possible molestation with Jason H&W was unfounded; there was a CARES interview with H.H. Lindsey was told at the CARES interview that Roger had taken H.H. to see Carol Wade, NP on July 26, 2011 for stomach pains. It was on this date is when H.H. that she disclosed the inappropriate touching took place.
