

CERTIFICATE OF GROUNDS

I hereby certify that the grounds stated herein are limited to other substantial grounds not previously presented.

The grounds for rehearing are to determine plain error review when the district court imposed a mandated sentence without submitting the drug quantity issue to the jury for determination under the beyond-a-reasonable-doubt standard.

I certify that the Petition for Rehearing is presented in good faith and not for delay.

A handwritten signature in black ink, appearing to read "R. Alcorta", is written over a horizontal line.
