**RETAINER AGREEMENT - FEDERAL COURT
APPEAL**

Claimaint, **Katrina F. Wood**, hereby retains Richard A. Culbertson (hereafter referred to as attorney), to file an appeal of a claim for benefits under the Social Security Act in the United States District Court for the Middle District of Florida.

If the court renders a judgment reversing or remanding the administrative decision denying benefits and claimant is ultimately awarded past due benefits, claimant agrees to pay a fee of 25 percent of the total of the past-due benefits to which the claimant is entitled. We understand that past-due benefits are the total amount of money to which claimant and any auxiliary beneficiary(ies) become entitled through the month before the month in which the Social Security Administration effectuates a favorable determination or decision on the claim. Social Security Benefits and Supplemental Security Income benefits are included. The Commissioner of Social Security may certify the amount of any fee allowed by the court for payment to attorney out of the amount of such past-due benefits.

It is understood that this agreement shall in no way limit the amount of attorneys fees which may be awarded under the Equal Access to Justice Act (EAJA). If, within attorney's sole discretion, a claim for fees under EAJA is justified, then he shall file a claim for said fees against the government in the Federal Court. Any attorneys fees awarded by the court that are paid by the government and retained by Richard A. Culbertson will be applied to reduce the amount of attorneys fees that would otherwise be due from claimant's past-due benefits. If the amount paid by the government exceeds 25 percent of claimant's past due benefits, then no amount will be due for attorneys fees. If the amount paid by the government is less than 25 percent of claimant's past due benefits, then the difference will be due as agreed to above. Claimant hereby assigns his right to any attorney fees awarded under the Equal Access to Justice Act to attorney, Richard A. Culbertson. It is agreed that Richard A. Culbertson will pay any amounts due to any other attorney who works on claimant's case. Claimant agrees that all attorney fees awarded by the court will be paid directly to Richard A. Culbertson. Any fees paid to other attorneys will not reduce the amount due to Richard A. Culbertson under this agreement.

This agreement applies to attorney's representation of claimant in Federal Court. It does not cover or include any representation before the Social Security Administration.

We have both received signed copies of this agreement.

Agreed to at Orlando, Florida on this 6th day of June, 2012.

ORDER

This cause came on for consideration without oral argument on the following motion filed herein:

**MOTION: PLAINTIFF'S UNCONTESTED
PETITION FOR ATTORNEYS'
FEES (Doc. No. 23)**

FILED: November 12, 2013

**THEREON it is ORDERED that the motion
is GRANTED.**

Plaintiff's application for fees follows the issuance of an Order and entry of Judgment reversing the decision of the Commissioner of Social Security with respect to Plaintiff's claim for benefits, and remanding the case pursuant to sentence four of 42 U.S.C. § 405(g) (Docs. 21 & 22).

Pursuant to the Equal Access to Justice Act, a party can recover an award of attorney's fees against the government provided that the party seeking the award is the prevailing party; the application for such fees, including an itemized justification for the amount sought, is timely filed; the position of the government is not substantially justified; and no special circumstances are present which would make an award unjust. Title 28 U.S.C. § 2412(d)(1)(A).

Plaintiff's Motion seeks an award of attorney's fees in the amount of \$4,107.27, calculated at the rate of \$184 per hour for 20.7 hours of work expended in 2012 and \$186.55 per hour for 1.6 hours of work in 2013 (factoring in the statutory rate of \$125.00 per hour adjusted for cost of living increase of 47% and 49% respectively) (based on the applicable Consumer Price Index). Doc. 23. *See, Meyer v. Sullivan*, 958 F.2d 1029, 1034 (11th Cir. 1992) (court must consider cost of living increases when awarding attorney fees under Equal Access to Justice Act); *Johnson v. Sullivan*, 919 F.2d 503, 504 (8th Cir. 1990) (CPI is appropriate proof of cost of living increase and justifies higher award than statutory rate). The Commissioner is not opposed to the hours or rate sought. *See*, Doc. 23 at 3.

Counsel also states that Plaintiff has assigned her fees to counsel. The parties have agreed that after the Court issues an order awarding EAJA fees to Plaintiff the Commissioner will determine whether Plaintiff owes a debt to the government, and if the U.S. Department of the Treasury determines that Plaintiff does not owe a federal debt, the government will accept Plaintiff's assignment of EAJA fees and pay fees directly to Plaintiff's counsel. Doc. 23 at 2.

Any arrangement between client and counsel is outside the purview of the judgment. Moreover, under Supreme Court precedent directly on point, *Astrue v. Ratliff*, 130 S. Ct. 2521, 2523 (June 14, 2010), EAJA attorney fees are awarded to the prevailing party, not to the prevailing party's attorney. *See, Martin v. Astrue*, Case No. 3:08-cv-1013-J-TEM, 2010 WL 2639566, *2 (M.D. Fla. June 29, 2010) (observing that "*Ratliff* acknowledges that historically the actual payment of EAJA fees is often directed to the attorney for the prevailing party, and sets forth that such practice will in fact continue where the prevailing plaintiff does not owe a debt to the government and assigns the right to receive the fees to the attorney"); *Whittemore v. Astrue*, No. 3:09-cv-1242-J-25MCR, 2011 WL 2144590, at *2 (M.D. Fla. May 31, 2011) (stating that the Supreme Court in *Astrue v. Ratliff*, the Supreme Court "implicitly approved the practice of issuing EAJA payments directly to a plaintiff's attorney only in cases where the plaintiff does not owe a debt to the Government and the plaintiff has assigned the right to the EAJA fees to the attorney").

Upon review of the supporting papers filed by Plaintiff and the Commissioner's lack of objection, the Court finds that an award of \$4,107.27 is appropriate under the EAJA. The Clerk is **DIRECTED** to enter judgment in the amount of **\$4,107.27** for attorney's fees pursuant to the Equal Access to Justice Act, 28 U.S.C. Section 2412(d).

DONE and **ORDERED** in Orlando, Florida on November 20, 2013.

We are writing to let you know that you are entitled to monthly disability benefits from Social Security beginning February 2012.

Your Benefits

The following chart shows your benefit amount(s) before any deductions or rounding. The amount you actually receive may differ from your full benefit amount. When we figure how much to pay you, we must deduct certain amounts, such as Medicare premiums and worker's compensation offset. We must also round down to the nearest dollar.

Beginning Date	Benefit Amount	Reason
February 2012	\$ 775.20	Entitlement began
December 2012	\$ 788.30	Cost of living adjustment
December 2013	\$ 800.10	Cost of living adjustment
December 2014	\$ 813.70	Cost of living adjustment

What We Will Pay

- Your first check is for \$603.10.
- This is the money you are due through June 2015.
- After that, you will receive \$708.00 on or about the fourth Wednesday of each month.

We are withholding your Social Security benefits for February 2012 through May 2015. We may have to reduce these benefits if you received Supplemental Security Income (SSI) for this period. When we decide whether or not we will have to reduce your Social Security benefits, we will send you another letter. We will pay you any Social Security benefits you are due for this period.

The Date You Became Disabled

You have to be disabled for 5 full calendar months in a row before you can be entitled to benefits. Your first month of entitlement is February 2012.

Information About Medicare

We did not give you earlier medical insurance because we did not process it timely. If you want to have these benefits earlier, you can choose medical insurance benefits beginning February 2014. If you want this benefit to start earlier, you must do the following things within 60 days after the date of this notice:

- tell us in writing that you want the medical insurance benefits beginning February 2014;
- pay us \$1,678.40 (this covers the premiums due from February 2014 through May 2015); or,
- tell us we can withhold this amount from the check.

If you want the benefits beginning February 2014 but find it hard to pay the premium amount in a lump sum, ask us about other ways to pay the money.

We have changed the date of your entitlement to hospital and medical insurance under Medicare. Your new entitlement date is February 2014. We will take any premiums due for the insurance out of your next payment.

We have changed the date of your entitlement to hospital insurance under Medicare. Your new entitlement date is February 2014.

We will reduce the payment you will receive shortly after July 22, 2015 by \$104.90 because of medical insurance premiums. When we figured the amount of your payment, we took into account all the medical insurance premiums which were previously paid or still due. We will deduct medical insurance premiums 1 month in advance.

We are deducting past-due premiums from your check.

Information About Representative's Fees

Your past-due benefits are \$30,871.00 for February 2011 through April 2015. Under the fee agreement, the lawyer cannot charge you more than \$7,717.75 for his or her work. The amount of the fee does not include any out-of-pocket expenses (for example, costs to get copies of doctors' or hospitals' reports). This is a matter between you and the lawyer.

When a representative wants to charge for helping with a Social Security claim, we must first approve the fee. We usually withhold 25 percent of past due benefits in order to pay the approved representative's fee. We withheld \$7,717.75 from your past due benefits in case we need to pay your representative.

- If all the work on this case for you and your family is finished, and your representative wants to charge a fee, a request to have it

approved should be sent to us right away.

- If all work is not finished in this case, the representative should let us know that a fee will be charged. This must be done within 60 days of the date of this letter.
- If the representative will not charge a fee, a statement saying so, signed and dated by the representative, should be sent to us instead.

When the amount of the fee is decided, we will let you and the representative know how much of this money will be used to pay the fee. We will send any remainder to you. If the approved fee is more than the money we have withheld, the Social Security Administration is not involved in paying the rest of the fee.

Send any fee petition to:

Office of Disability Adjudication and Review
SSA Hearing Office, Desoto Bldg, Suite 400
8880 Freedom Xing Trl
Jacksonville, FL 32256

Section 206 (B) of the Social Security Act, as amended, governs fees for services before the Court. If your lawyer wishes to receive a fee for those services, he must send the petition for that fee to the court that rendered the decision with a copy to the United States Attorney s [sic] Office. He should also send a copy to the Social Security Administration at:

SSA, ODO, DDO 1, SAES
P.O. Box 32913
Baltimore, Md. 212412913

Your lawyer may also petition for a fee under the Equal Access to Justice Act (EAJA). These awards are paid from administrative funds and, unlike fees under Section 206 of the Act, are not deducted from your past-due benefits. The EAJA specifically provides that where an attorney receives fees for the same work under both Section 206(B) of the Social Security Act and the EAJA, the attorney must refund to you the amount of the smaller fee. If your lawyer is not going to file a fee petition with the Court, he should notify us in writing so that we can send you and your family any funds we withheld from your past-due benefits.

Other Social Security Benefits

This benefit is the only benefit you can receive from us at this time. In the future, if you think you might qualify for another benefit from us, you will need to apply again.

Your Responsibilities

The decisions we made on your claim are based on information you gave us. If this information changes, it could affect your benefits. For this reason, it is important that you report changes to us right away. We have enclosed a pamphlet, "What You Need To Know When You Get Social Security Disability Benefits". It will tell you what must be reported and how to report.

Be sure to read the parts of the pamphlet which explain what to do if you go to work or if your health improves.

Things To Remember

Doctors and other trained staff decided that you are disabled under our rules. But, this decision must be reviewed at least once every 3 years. We will send you a letter before we start the review. Based on that review, your benefits will continue if you are still disabled, but will end if you are no longer disabled.

Do You Think We Are Wrong?

You are entitled to benefits because of a decision made by the Administrative Law Judge.

If you disagree with this decision, you have the right to appeal. We will review your case and consider any new facts you have. A person who did not make the first decision will decide your case. We will correct any mistakes. We will review those parts of the decision, which you believe are wrong and will look at any new facts you have. We may also review those parts, which you believe are correct and may make them unfavorable or less favorable to you.

- You have 60 days to ask for an appeal.
- The 60 days start the day after you get this letter. We assume you got this letter 5 days after the date on it unless you show us that you did

not get it within the 5-day period.

- You will have to have a good reason for waiting more than 60 days to ask for an appeal.
- You have to ask for an appeal in writing. We will ask you to sign a form SSA-561-U2, called “Request for Reconsideration”. Contact one of our offices if you want help.
