You are hereby notified that the Court has entered the following opinion and order:

2017AP465-W

State of Wisconsin ex rel. Margaret Bach v. Circuit Court for
Milwaukee County (L.C. # 2006GN501)

Before Neubauer, C.J., Gundrum and Hagedorn, JJ.

Our June 2, 2017 order required Margaret Bach to provide this court with an order of the Brown County circuit court indicating that she has paid the costs, fees, and reasonable attorneys' fees awarded by the circuit court on remand in *Bach v. St. Vincent Hospital*, No. 2015AP1221, unpublished slip op. (WI App Nov. 29, 2016), *review denied* (WI Mar. 13, 2017). On July 7, we declined to reconsider our June 2 order. The Brown County circuit court payment order was due in this court no later than July 31, 2017. Bach has not provided this court with the required order, and the circuit court docket entries for the Brown County case do not include an order showing that Bach has made the required payment.

Appendix 2

As we warned in our June 2 and July 7 orders, failure to provide this court with the required Brown County order would lead us to disregard Bach's February 2, 2017 petition and no action would be taken upon the petition. In the absence of the required Brown County order, we disregard Bach's February 2, 2017 petition and no action is taken on the petition.

We have also received an eighty-five page submission from Bach dated July 28, 2017 captioned "Motion to Void the Circuit Court Orders From the Hearings Held February 21, 2017 and November 2, 2016 [in Milwaukee County]." Bach also filed a motion to reduce the number of copies required and to seal the appendix to the July 28 motion. We assume these motions relate to 2017AP465-W (neither motion includes a court of appeals case number).¹ The motions are not accompanied by the required Brown County order indicating that Bach has made the required payment. In addition, the motions do not qualify as an exception to the filing bar this court imposed in *Bach v. St. Vincent Hospital*. For these reasons, we take no action on the motions and they are disregarded.

Upon the foregoing reasons,

IT IS ORDERED that Margaret Bach's February 2, 2017 petition is disregarded and no action will be taken upon the petition.

IT IS FURTHER ORDERED that Margaret Bach's July 28, 2017 motions are disregarded and no action will be taken upon the motions.

¹ In addition to this matter, Bach has two other open matters in this court: appeal No. 2016AP1410 and appeal No. 2017AP1119. We will not cull the motions to determine to which matter they apply, if any.

IT IS FURTHER ORDERED that all pending motions are denied.

Clerk of Court of Appeals
