

IN THE
SUPREME COURT OF THE UNITED STATES

BRIAN MICHAEL BREWER,

PETITIONER,

v.

UNITED STATES OF AMERICA,

RESPONDENT.

CERTIFICATE OF GOOD FAITH BY PRO SE PETITIONER

I, Brian Michael Brewer, under ~~pro se~~ capacity hereby certify that the petition for rehearing is presented in good faith and not for delay, and that it is restricted to the grounds specified in Supreme Court Rule 44.

Kindly, note Mark Zuckerberg, owner of Facebook.com as of just May this 2018 year, being made to appear before Congress, in relation as to Regulation of the Internet/World Wide Web pursuant Tech Giants control, responsibility, and internal policies specific of others access, postings, uses, and deviant purposes unfactored, yet totally being realized, understood, and relevant, not only in corporation standards and terms of legal implications, but also politically, and moreover pursuant national security, as well as, all of the worlds sovereignty, societies, and ambitions/tyranny.

All with direct implications pursuant Immunity Provisions that create "Selective Prosecution" under First Amendment 'Safe Harbors'

through previous holdings of the Supreme Court before enactment of the Anti-Terrorist Act. Now being, this (ATA) prevents 'Safe Harbor' Immunity Provisions incorporated into Title 18 U.S.C. § 2252A.

WHEREBY, the scope and purpose of the petition for rehearing seeks to enable the First Amendment analysis and reasoning to be revisited, as not even Website Owners or Tech Giants are ever to be granted First Amendment Protections. Nor even the World Wide Web.

CONCLUSION

Is Stare Decisis First Amendment Precedent requiring revisit post Anti-Terrorist Act pursuant Facial Challenge to the Title 18 U.S.C. § 2252A under Selective Prosecution?

Intervening Change in Circumstances requires staying notice.

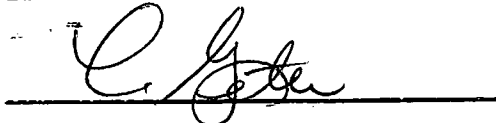

The foregoing is accurate, certain, true, and correct.

Having duly been sworn I, Brian Michael Brewer depose and state my Supreme Court Rule 44 Petition For Rehearing Petition For Writ Of Certiorari most definitely is in the interest of justice and in good faith absent tactic or strategy otherwise for delay. Signed under the pains and penalties of perjury.

EXECUTED ON 6 DAY OF JUNE, 2018.
