

SUPREME COURT OF THE UNITED STATES

Application to extend the time to file a petition for a writ of certiorari.

Attention: Justice Kennedy, or Clerk.

I am requesting a (60) day extension.

As of DEC. 7, 2017, I received an ORDER, for Starks' petition for panel rehearing (Docket Entry No. 24) is denied. (9th Cir.) No. 16-15641; D. C. No. 2:13-cv-02286-MMD-GWF, District of Nevada, Las Vegas.

For an employment disparate treatment case of racial discrimination and retaliation.

And, for the past month and a half, I've been dealing with personal hardships. Relating to medical issues, family issues and a lack of funds issues, to make much needed repairs on car and home. All of which demanded my undivided attention and required additional time out of my monthly schedule to resolve these issues or at least minimize them.

This is the reason why I am getting a late start into my (90) days deadline to file.

Also, taking into consideration that I am a pro se litigant who could really benefit from that additional time; to better research the laws pertaining to my case, in hope of being granted for a writ of certiorari. Thank you sincerely.
