Supreme Court of the United States

Re: Case No. 17-867
Marcus E. Barroso, et al. vs. Sheriff of Bexar County, et al.

Dear Clerk of the U.S. Supreme Court,

Per SUP. CT. R. 30(4), Respondents Sheriff of Bexar County and Bexar County respectfully request an extension of time to file a response to the Petition for a Writ of Certiorari. The Rule requires a motion to extend the time to file any document or paper other than those specified in paragraph 3 of this Rule to be presented in the form of a letter to the Clerk setting out specific reasons why an extension of time is justified.

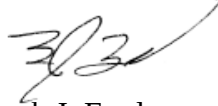

On July 24, 2017, Petitioner Marcus E. Barroso filed his Petition for a Writ of Certiorari. On January 12, 2018, Respondents Sheriff of Bexar County and Bexar County filed a Waiver of Right to Respond. On January 26, 2018, Respondent Bryan Collier filed his Wavier of Right to Respond. On February 5, 2018, Petitioner filed his Motion Requesting Call for Responses and the Court granted the same on February 7, 2018. The Court ordered Respondents to file a response by March 9, 2018.

Respondents are discussing the option of filing a joint response. However, the undersigned counsel's previously scheduled reserve military service falls within the time set by the Court to file a response. Specifically, counsel performed military duty the week of February 20, 2018 – February 23, 2018 and will be performing military duty from March 2 – March 15,

2018. Please refer to the enclosed orders and training schedule.¹ Counsel's military obligations adversely impact his ability to comply with the Court's deadline of March 9, 2018. Respondents request an extension of time until April 16, 2018 to file a response to the Petition for Writ of Certiorari. This is the first business day following the expiration of 30 days from the date counsel's military orders end.

Thank you for your courtesy and attention to the above.

Respectfully submitted,
