THE GROUNDS OF THE PETITION FOR THE REHEARING

My grounds of the petition for the rehearing as follows:

My petition for a writ of certiorari placed on the docket May 17, 2018 as No. 17-8962. Please see Certification p1.

"According to these rules, four of the nine Justices must vote to accept a case." quoted from Supreme Court Procedures — writs of Certiorari. Please see Certification P2, pink place. At least I won four Justices' votes.

My petition has been scheduled to be considered at the Court's September 24, 2018 Conference. Please see Certification p3. On this conference my case was denied. The denied reason I think "when there is a tie vote, the decision of the lower Court stands. This can happen if, for some reason, any of the nine Justices is not participating in a case." quoted from Supreme Court Procedures — Conference, the last paragraph. Please see Certification p4, pink place.

As everyone knows the Justice Anthony Kennedy had retired in July, 2018. He could not participated my case conference of 09/24/18. Only eight Justices participated my case conference of 09/24/18. Therefore a tie vote appeared. On 10/01/2018 I got my case denied news. The reason denied my case belongs "controlling effect", "controlling effect" quoted from Rules of the Supreme Court of the United States — Rule 44. Rehearing. Please see Certification p5, pink place.

Today is 10/07/2018, newspaper said Brett Kavanaugh ^{becomes} ~~is~~ one of the nine Justices of the Supreme Court of the United States.

The tie vote for my case will be broken.

P2

I thank ^{these} Justices who has given me rehearing chance for ever!

CONCLUSION

P3

My petition for the rehearing should be granted.

Respectfully submitted,

Alemin Gu
