¹ Supreme Court Rules 33.2 combined with Rule 39.2 and 39.3.

MOTION TO FILE ONE COPY OF ALL PAPERWORK

Petitioner attached to this files a declaration highlighting the facts surrounding the pains and disabilities of his life (as to rural mail, loss of driver's license etc.) from March 30, 2014 until today (see also Case No. 17-9240 Clerk's letter). These facts limit (eliminate in all "practical terms") Mr. Schneider's ability to leave his home to buy literally anything and everything without the help of neighbors, but *also* to be able to even get to a post office so that he can send *anything* larger than a few once envelope. Because of the necessity of cover sheets, multiple motions and forms, and the involuntary self-censorship of (e.g. envelope space/characteristics) petitioner's First Amendment petition for redress he requests to file all documents if possible, one copy vs. three normally required for a non-prisoner stay application, and in a double-sided format.

1. I am the petitioner in this case, and competently certify first hand these facts.
2. I have calculated that in order to serve this motion I will be sending 1 (or 2) No. 10 envelopes to each party and those will require 4 ounces worth of stamps each (if 2-sided) plus a 21 cent stamp due to overweight as a "flat" vs. a letter.

I declare under penalty of perjury that the forging is true and correct.

DECLARATION: Wednesday August 22, 2018 @ 1:15PM

I CHRISTOPHER D. SCHNEIDER (Petitioner/Plaintiff/Appellant) DECLARE:

1. I am a competent witness with first hand knowledge of the facts here stated.
2. I still to this day have not been able to get to any store that sells propane bottles and continue to have to build as many as 4 outdoor fires per day to cook *all* of my hot food (See Decl. (July 4, 2018) Vs. C.I.R. Dkt. 22 23? at 4-5).
3. After shipping this one tiny S.Ct. stay motion/petition for redress I will be left with only about 12-14 stamps, and have no clue when I will be able to get more, as even "stamps by mail" requires a bank account (cannot send cash) and/or fundamental personal mobility that I had seized along with my "picture ID" on March 30, 2014.
4. I still have not been able to get to any stores that sell 6 x 9 envelopes or blank CDs/DVDs and have only: 0 CDs and 2 DVDs and am being force censored on need to file items e.g. electronically with this petition and in 9th Cir. e.g. my RJN motion in PDF that can only be filed in an electronic format.
5. Since July 3, 2018 Decl. on 3 occasions I have only been able to pick up food when leaving my home: solely via neighbors help/only places neighbors were going/took me to other than one non-food stop #3 above (got stamps in July).

I Christopher D. Schneider declare under penalty of perjury that the forgoing facts are true and correct.
