RE: Request for extension of time in which to file response to petition
Glen Maxwell v. California, No. 17-9309

Dear Mr. Harris:

I represent respondent, the State of California, in the above-captioned case. On June 11, 2018, the Court docketed the petition for certiorari filed in this case, resulting in a July 11 deadline for our response. I write to respectfully request that the deadline for that response be extended by 30 days, to August 10, 2018.

I am principally responsible for preparing the response. The extension is requested because at the same time as I am drafting the response, I have the primary responsibility for drafting eight responsive briefs in the California Courts of Appeal, all of which were assigned to me by the time this Court docketed this case. The additional time will also facilitate review and revision of the response, including review by my supervisors and the Office of the Solicitor General.

Accordingly, I respectfully request that the existing due date for the State's response to the petition for certiorari be extended by 30 days to August 10, 2018. Thank you for your attention to this request, and please do not hesitate to contact me if you require any further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Amit Kurlekar".
