IN THE SUPREME COURT OF THE UNITED STATES

MOTION FOR RE-CONSIDERATION TO RE-HEAR

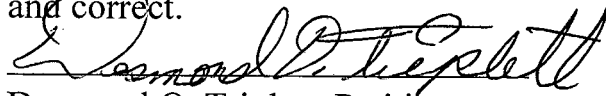

COMES NOW, Movant, Respectfully presents this motion in good faith and not as a delay and asks this court for re-consideration to re-hear based on the facts and on the merits in this case on these grounds:

1. The Wyoming Court System is inherently in conflict with its defendants through the structure of the Wyoming Government making it impossible for the Wyoming Courts to function in a non-prejudicial manner. This is explained in full in the reason for grant of the petition for writ of certiorari.
2. Facts based in the case of violations of the guaranteed constitutional laws and rights that apply to all citizens of the United States. These violations committed by the Judges and Attorneys of the State of Wyoming in all District Courts of Wyoming through their conflict of interest with all defendants.
3. Movant was denied a fair and impartial trial.
4. Movant was denied a fair and impartial appeal.
5. Exculpatory evidence was not admitted at trial to exonerate movant of alleged crimes.
6. Trial court deprived movant of his 6th Amendment rights to adequate defense.
7. Movant was constructively denied of counsel and the right to assist defense counsel.
