Civil Action No. 17-9491

Petition For REHEARING

Now comes, the Sovereign Petitioner, El Roderick McKissic on this 8th day of October, 2018 do swear and affirm officially, declares My Birth Rights as a Afrikan Descendant in the foreign nation of america and legally invoke My Self-Proclaimed Sovereignty as a Human Being with the Ancestry of a Foreign Tribe from the Nation and Continent of My native Land of Afrika with Freedom, Liberty, Life, Dignity and Equal Rights lawfully enacted in Absolute Compliance to the GENERAL ASSEMBLY PROCLAIMS THIS UNIVERSAL DECLARATION OF (HUMANS) HUMAN RIGHTS AND EQUAL PROTECTIONS OF THESE HUMAN RIGHTS UNDER THIS DECLARATION LEGALLY GRANTING ME THE RIGHTS OF PROTECTION TO SECURE MY PERSON AS A FOREIGN SOVEREIGNTY AND PETITIONS THIS United States Supreme Court of this nation in ameri-
ca.

I hereby appropriately Petition this Court for A Rehearing on this 8th day of October, 2018 for denial of My Petition for Writ of Certiorari in the above Civil Action without any prejudice, impartialities nor injustice from the foreign nation of america and its established government judicial, national tribunal. I herein Properly Request that this Rehearing Is Granted promptly without any discriminations by a competent nation tribunal in accordance to Justice and Equality of Just laws established by the Universal Declaration of Human Rights. Ground 1.) Violations Of Human Rights Declaration
Argument And Citations of Authorities

One of the unlawful contradictions of the established government's laws that unequivocally verifies the malfeasance and misfeasance in the nation of capitalist is the mendacious legalization of slavery, involuntary servitude and peonage under the United States's 13th amendment: Neither slavery nor involuntary servitude, except (exception to the rule for the causes of white rule of a modernized form of strategically implementing slavery under their enslavement laws of the U.S. constitution) as a punishment (to harshly implement some form of pain and suffering) for crime... When the Universal Declaration of Human Rights unequivocally Prohibits and Completely Abolish All Forms of slavery and the Harsh Inflictions of Cruel And Unusual Punishment enforced on any person by another and/or government enterprise, entity, nation or private citizen(s)

In fact the malicious and sadistic Inflictions of modernized slavery, involuntary servitude and peonage are horribly the Most Harsh forms of Cruel and Unusual Punishment (because it is natural nor humane for one to slowly deteriorate under such callously "Unnecessary and wanton Inflictions of Pain and Suffering" that vindictively enforce Atypical and Significant Hardships upon the enslaved/incarcerated person because it's harsh conditions of confinement unlawfully Deprive and Unjustly Denys the individual of Life, Liberty, Equality, and their Naturally Born Rights and Protected Freedoms in such oppressive and degenerative circumstances) because the ~~Unnatural~~ environment and INHUMANE conditions undoubtedly destructively Deny and strategically Deprive the/a Human Being of their Human Rights Guaranteeing and Equally Granting the Person with Freedoms by Birth which are Protected Life, Liberty and Security of Person(s).

Included in other Equal Protections Rights of the Universal Declaration of Human Rights are as follows:

The General Assembly Proclaims This Universal Declaration of Human Rights:

Article 6 Everyone (not excluding Africans in America and/or other races from different nations etc) has the Right To Recognition Everywhere (including America) as a Person (not animals, subhuman nor slave) before the law.

Article 4 "no one (not excluding anyone because of race, nation etc.) shall be held in slavery or servitude; slavery and the slave trade shall be

be Prohibited In All Their forms "every form of slavery and involuntary servitude are Prohibited by the Declaration)

Article 5 "no one (not excluding anyone) shall be subjected to torture or to Cruel, Inhuman, or Degrading (to make or treat a person as a sub-human or animal debasing the natural life, essence and/or Identity) Treatment or Punishment." (slavery and involuntary servitude are irrefutably the Harsh Inflictions of Cruel And Unusual (unnatural in nature) Punishment(s) Inhumanely enforced upon the Person for a crime.

Article 3 "Everyone (not excluding any natural Human Being) Is Entitled (give all Equal Rights by Birth) Life, Liberty and Security of Person."

Article 2 "Everyone (not excluding anyone) Is Entitled (Given Rights) to All (not restricting Any Rights) Rights And Freedoms (having Liberty to Life without enslavement) set forth in this Declaration, without distinction of any (non-included) Kind, such as Race, Colour, Sex, language, Religion (All Religions Included) Political or other opinion, National or Social Origin, Property, Birth or other status. Furthermore, no distinction shall be made on the basis of the political, jurisdictional or International status of the country or territory to which a person belongs whether it be independant, trust, non-self-governing or under any other limitations of sovereignty.

Article 1 "All Human Beings (not excluding any person - (natural Being of the Human Race) are Born Free (without the oppressive control of the corrupt nation/government) And Equal In Dignity (not being degraded by slavery nor involuntary servitude unnaturally denying and simultaneously depriving one of their natural rights by Birth and/or Will) servitude, torture, Cruel, Inhuman Treatments ~~are~~ a Harsh form of punishment and malicious treatments) and Rights. They (all natural Human Beings by Birth) are Endowed with reason and conscience and should act towards one another in a spirit of brotherhood (Brotherhood of Humanity)

By the natural Universal Rights of a Human Being - Human(s) Rights of My Born Rights of Birth - Rights of Birth (Birth Rights) I AM FREE to choose, decide and determine (Right of Choice) FREE WILL) My own Origins and land to live (have Life) on in unprejudiced Liberty without any forms of discrimination from any government/nation As A Sovereignty Unequivocally Eliminating All Limitations and All Laws of slavery - modernized slavery, involuntary servitude

3.)

peonage and/or confinements that oppose and/or discriminate against the Universal Declaration of Human Rights, (Humane Rights) Having Liberty and Freedom (Free Will) to be a Natural Human Being (which is essential to a Life of Quality and Dignified by Universal Laws of Nature) not under the racist discriminatory laws of the established government of white supremacy in America.

Article 7 " All (not excluding any) are Equal before the law (in the impartial authority of the laws of this Declaration) and are Entitled (Granting Rights) without any (none) discrimination to Equal Protection of the law. All (not excluding Africans) in America) are Entitled (Given Rights) to Equal Protection Against Any (against all forms) discrimination in violation of this Declaration and Against Any (against all forms) Incitement to such discrimination.

Article 8 " Everyone (not excluding anyone) Has The Right to An Effective Remedy (without prejudice and/or discriminations) by the Competent (capable of impartially performing an obligation or duty) national tribunals for acts violating the Fundamental Rights GRANTED Him by the constitution or by law. (law of this Declaration) One's partiality, racial discriminations and biased prejudice irrefutably renders this person(s) deficiently corrupt and incompetent under the Universal Declaration of Human(s) Rights law(s),

Article 10 " Everyone (not excluding anyone) Is Entitled (Granted) in full (Absolute) Equality to a Fair (without any forms of discriminations race, nation etc.) and public hearing by an "Independent And Impartial Tribunal" (non discriminatory racial courts) in the determination of his Rights and obligations and of any criminal charge against Him.

Article 12 " no one (not excluding anyone) shall be subjected to arbitrary interference with his Privacy, Family, Home or Correspondence, nor to attacks upon his Honour (no degrading acts and/or treatment to harshly inflict Cruel And Unusual Punishment) and Reputation. Everyone (no one excluded) has the Right to the Protection of the Law Against such interference or attacks

Article 13(1) Everyone (not excluding anyone) has the Right to "Freedom of Movement and residence within the borders of each state. (Captives/Prisoners are undoubtedly Maliciously Denied and Sadiistically Deprived of the Liberties because they are restricted of free Movement in the world and can only be transfe-

red from one slavery plantation to another slavery complex). 2) Everyone (not excluding anyone) has the right to leave any country (including america), including his own, and to return to his country.

Article 14(1) Everyone has the "Right to seek" And To Enjoy In other Countries Asylum from prosecution. (Illegal Enslavement and Involuntary Servitude) (2) This right may not be invoked in the case of prosecutions genuinely arising from non-political crimes or from acts contrary to the purposes and principles of the United Nations. (The United Nations never intended for any form of slavery, involuntary servitude, peonage and impartial prosecutions to exist as a Harsh Infliction(s) of Cruel And Unusual Punishment for a alleged violation(s) of the established government criminal laws of white supremacy.

Article 15 (1) Everyone (not excluding anyone) Has the Right To A Nationality (America is not the Birth Nation of My Afrikan origin and Afrikan Ancestors at all before the hideous, heinous, barbarous, nefarious, atrocious and Cruel And Unusual Punishments of viciously kidnapping and harshly cruel inflictions of slavery/modernized slavery and involuntary servitude in america) 2) no One (not excluding anyone) shall be arbitrarily deprived of His Nationality (I Am a descendant of Afrikan People/Nation originally from the continent of Afrika), nor denied the "Right to Change His Nationality"

If In fact the Emancipation Proclamation issued by president Lincoln in 1863 Jan 1st actually obliterated slavery and absolutely freed slaves and abolished slavery it would not have been reacted/enacted under the 13th amendment as a malicious and sadistic form to harshly inflict cruel and unusual punishment for allegedly committing a crime or criminal act under racially discriminatory laws of the established government of white supremacy. Slavery in all of its wicked form was never eradicated nor eliminated, it was tactically transformed and mendaciously modified for the future generations in order to treacherously enslave Afrikans/Blacks, Browns, Reds, yellows and other non-caucasians nations for allegedly violating racist laws of the established government.

Universal Declaration of Human Rights

Whereas recognition of the inherent dignity and of the Equal and inalienable Rights of All Members of the Human Family is the Foundation of "Freedom, Justice and Peace in the world." (not excluding any nation)

Whereas disregard and contempt for Human Rights have resulted in barbarous acts (modernized slavery, involuntary servitude, kidnapping, torture, degrading treatment and the harsh inflictions of cruel and unusual punishments) which have outraged the conscience of mankind, and the advent of a world in which Human Beings shall Enjoy Freedom of Speech and Belief and Freedom From Fear and want has been Proclaimed as the highest aspiration of the common people.

Whereas it is essential, if Man is not to be compelled to have recourse, as a last resort to rebellion against tyranny and oppression, that Human Rights should Be Protected by the Rule of Law.

The united states's strategically implementation and legalization of modernized forms of slavery under the 13th amendment that further the mendacious government of white supremacy is a racial tyranny that atrociously enforce all diabolical tactics of oppression, depression, suppression, poverty, mass enslavement/incarceration, discrimination, racism, etc. in a Foreign continent, which is not My land of origin nor Tribal Native Land/Ancestry. This definitely not the native continent, country and/or land of the Afrikan People who was viciously kidnapped and maliciously enslaved in a foreign land to be slaves/servants of the established white government in america a unknown land of My Native Ancestry/People and Foreign terrorized territory.

Whereas the People of the United Nations have in the charter ReAffirmed their faith in Fundamental Human Rights, in the dignity and worth of the Human Person, and The Equal Rights of Men and Women and have determined to promote "social progress and Better Standards of Life In Larger Freedom." (Sovereignty include d in self governing Freedoms)

Whereas Memberstates have pledged themselves to achieve in co-operation with the United Nations, the promotion of Universal Respect for and observance of Human Rights and Fundamental Freedoms.

All Afrikans and Descendants of Afrikans was allegedly set free under the Emancipation Proclamation in 1863 Jan 1, officially signed by president Abraham Lincoln which completely "Abolish Slavery", and ALL AFRIKANS and their

descendants are said to be Free From ALL FORMS of slavery within the united states and its territories and/or areas subjected to their jurisdiction and IS FREE Having EQUAL PROTECTIONS OF THE LAWS under the UNIVERSAL DECLARATION OF HUMAN RIGHTS contrary to the 13th amendment's legalization of slavery, involuntary servitude to further the establishment of white supremacy in america.

Whereas a common understanding of these Rights and FREEDOMS IS OF THE GREATEST IMPORTANCE FOR THE FULL REALIZATION OF THIS Pledge.

This is the exact pledge that the united states government pledge to Legally Enforce, Enact and fully adhere to under the agreement with the United Nations and to mendaciously violate this official pledge is a clear Breach of this Mandatory Agreement with the United Nations and Total Violation of My Sovereign Human Rights that Unequivocally Prohibits Slavery, Involuntary servitude, torture, degrading, Cruel and Unusual Punishments, Inhumane treatments and enslavement within the jurisdiction of the united states.

Now, Therefore The General Assembly Proclaims, This Universal Declaration of HUMAN(E) RIGHTS And FREEDOMS and By Progressive Measures, National and International, to SECURE THEIR UNIVERSAL And EFFECTIVE Recognition and observance, both among the people of Member States themselves and among the people of territories under their jurisdiction.

Article 8 Everyone (not excluding anyone) Has The Right to an EFFECTIVE REMEDY by the Competent National Tribunals for acts violating the fundamental RIGHTS GRANTED Him by the Constitution or by law.

I herein, invoke My Equal Protection Rights under the Supreme laws of the Universal Declaration of Human Rights and by FREEDOM OF CHOICE I denounce citizenship of the nation of the united states of america a foreign land not of the original Origins of My Native Land of Afrikan Nations, Tribes and cultures of the Original People and Choose to seek ("Right to seek" And To Enjoy In Other Countries Asylum from prosecution) FREEDOM of FREE MOVEMENT (Article 14(1) and Article 13(2) Freedom of Movement) In Afrikan countries in Full Compliance of My Original Nationality of Africa from the racially

7.)

prejudiced and discriminatory laws of white supremacy in the United States of America national tribunal that mendaciously legalizes modernized slavery, involuntary servitude, peonage, torture, degrading treatments and the harsh inflictions of cruel and unusual punishments for a crime(s) through strategically orchestrated racial hate crimes of malicious prosecution, kidnapping, false imprisonment, denial and deprivation of the Universal Declaration's Rights of Equal Protections of the Laws, Denial and Deprivations of Sovereignty FREEDOM, Due Process of Laws Under this Declaration of Human Rights, Denial and Deprivation of Liberty, Denial and Deprivation of Equality, denial and Deprivations of Universal Rights Given by Birth, which is a clear miscarriage of Justice

I hereby seek Absolute Freedom From All Forms of modernized slavery involuntary servitude, peonage, oppression, tyranny of white supremacy and All degrading forms of the harsh inflictions of Cruel and Unusual Punishment under racial discriminatory prejudice laws in the national tribunal. This is My natural Rights of Birth enacted by the Universal Declaration of Human Rights.

Article 28 Everyone (not excluding Afrikans) Is Entitled (Granted) to a Social and International Order in which the "Rights and Freedoms" set forth in this Declaration can be Fully Realized (not suppressed, depressed, oppressed nor repressed by private citizens and/or government entities).

"Corrupt government officials have mendaciously violated this Human Rights Clause through illegal enslavement methods under unjust laws specifically formulated to viciously enslave descendants of Afrikan slaves and People of Color in the world because those who are enslaved can not FREELY associate and/or socialize with their families, love ones etc. which is no more than a diabolical ploy and strategic maneuver to eradicate and annihilate the Afrikan Family structures in America and the world under the atrocious government of white supremacy against Afrikan/Black People internationally.

Article 30 nothing (not excluding anything) in this (Universal Declaration of Human Rights) Declaration may be interpreted as implying for any State (government), group or person any right (not have right to oppose)

8

to engage in any activity (not excluding judicial proceedings) or to perform any act aimed at the destruction of Any of the Rights (not excluding none) and Freedoms (Sovereignty, Free Movement, Free Choice etc.) set forth herein.

In this instance the national tribunal incompetence clearly violated the Universal Declaration and My Human Rights under the Universal Declaration of Human Rights by mendaciously subjecting Me to the Harsh Inflictions of Cruel and Unusual Punishment in the modernized slavery plantations by racially prejudice laws of white supremacy and a fabricated trump charges and VOID Fraudulent indictment.

Ground 2.) Deprivation of Rights Under Color of Law

Whoever, (not excluding anyone) under color of any law (not excluding any laws, statute, ordinance, regulation, or custom, willfully subjects any person (not excluding anyone) in any state, Territory, Commonwealth, Possession, or District to the deprivation of any (not excluding Any) rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, or to different punishments, pains, or penalties, on account of such person being an alien, or by reason of his color, or race, than are prescribed for the punishment of citizens, (non-citizen) shall be fined under this title or imprisoned not more than one year, or both, and if bodily injury results from the acts committed in violation of this section or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years, or both, and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any terms of years or for life, or both, or may be sentenced to death.

In the United States national tribunal I have been unlawfully deprived and Denied the origin of My Afrikan Nationality through the enslavement of My Afrikan Ancestors in America and Have not been allowed to Return to the native Land of My Ancestors and nation of My People of Africa before
9.)

they were heinously and hideously kidnapped from our native Land and illegally enslaved in America which has further subjected Me to the Harsh Inflictions of Cruel and Unusual Punishment by the barbarous established government in America which is definitely not My native Birth Nation of My Ancestors and Forefathers of Afrika.

Conclusion

In full violations of My Life, Liberty, Equality and Sovereignty I AM being racially Denied and Deprived of My natural Birth Rights Granted lawfully by the Universal Declaration of Human(e) Rights which are being illegally obstructed by the strategically implementations of modernized slavery and involuntary servitude as the harsh inflictions of Cruel and Unusual Punishment under inhumane conditions of captivity in the United States of America as malicious and sadistically hateful punishments for an alleged crime(s).

Under the laws of the General Assembly Proclaims Universal Declaration of Human Rights All Forms of slavery, degrading treatments, torture and Cruel inflictions of Inhumane punishment therefore such harsh conditions of captivity in a foreign nation are Prohibited and Abolished. In the established laws of this Declaration I legally have Equal Protections of these laws to Freely Return to My Afrikan Nation to seek Asylum from All forms of government sanctioned modernized slavery and further discriminatory acts of malicious prosecution in America. I have the Free Rights and Liberties of this Declaration to Return to My own Sovereign Nation of Afrika with Equal Rights. I have the Rights of the Universal Laws to be Free in My own nation and this Rehearing should be Granted to fully Enact these Protected Equal Rights of Freedom from all forms of government imposed sponsored slavery.
