Re: *Frank v. Gaos*, No. 17-961 (argued October 31, 2018)

Dear Mr. Harris,

I represent the class respondents (Paloma Gaos, individually and on behalf of all others similarly situated, *et al.*) in the above-captioned case. On behalf of the class respondents, I write to request an extension of time in which to file supplemental briefs and replies addressing the named plaintiffs' Article III standing. Petitioners Theodore Frank and Melissa Holyoak join this request. Respondent Google LLC, and the United States, have authorized me to represent that they do not oppose this request.

Currently, supplemental briefs are due no later than 2:00 p.m. on November 30, 2018, and replies are due no later than 2:00 p.m. on December 21, 2018. Because of the heavy press of other matters, as well as intervening holidays, the requesting respondents and petitioners seek a two-week extension for filing opening supplemental briefs (to December 14, 2018), and one additional week for the filing of replies (to January 11, 2019). The requested extension would make the deadlines as follows:

Supplemental briefs:	By 2:00 p.m. on December 14, 2018
Replies:	By 2:00 p.m. on January 11, 2019

Thank you in advance for your time, attention, and assistance in connection with this request. Please do not hesitate to contact me if you have any questions or concerns.

Sincerely yours,

A handwritten signature in blue ink, appearing to be 'J. Lamken', written over a blue circular scribble.
