Request For Extension of Time

To File Petition For Writ Of Certiorari

I, Bryan Matheson declare as follows:

I need an extension of time to prepare an adequate petition for writ of certorari, due to my court appointed attorney's delay in notifying me that California Supreme Court has denied my petition for review. My attorney for appeal mailed me a copy of the California Supreme Court's denial of petition for review on March 05, 2018. I recieved this mail on March 07, 2018. She at that time informed me that Ca. Supreme Court denied review on Jan. 10, 2018 and that I have 90 days to file Petition for Writ of Certiorari in the Supreme Court of the United States. Her delay in notifying me effectively reduced my time to file by almost two months , thus leaving me with approximately one month

RECEIVED

MAR 27 2018

OFFICE OF THE CLERK
SUPREME COURT, U.S.

to prepare and file the petition. I am a prisoner at Mule Creek State Prison's B-yard. My Law Library is only available to me on Saturdays and was closed last Saturday and closed half of this past Saturday and next Saturday. This severely limits my ability to prepare and file my legal work with your Court. I respectfully request an extension of time in accord with the amount of time lost due to Attorney's delay in making my notification. A 60-day extension is requested or if the court only authorizes a 30-day extension, that is what I request. This request is not being made for the purpose of harassment, delay, or any other improper purpose.

I declare under penalty of perjury that this statement is true. Executed at Ione, California 95640
