Clerk of Court,

I, Robert Carl Sharp, am requesting a time extension to file writ to the Supreme Court in USA v. Robert Carl Sharp, 8th Circuit, Appeal #16-4008, District Court No. 1:15-CR-00031-01.

I intend to file pro se in this matter. The 8th Circuit Court of Appeals denied a rehearing en banc on February 13, 2018. On February 22, 2018 the 8th Circuit Court of Appeals issued a Mandate in the judgement affirming my conviction. I'm appealing that decision.

The deadline to file writ to the Supreme Court is in 3 weeks. The reason I'm requesting a time extension is that my appellate attorney, Shan Hopwood, is unable to represent me in this matter because he is unlicensed to practice in the Supreme Court. I am uncertain of all the rules and procedures involved in filing writ to the Supreme Court and request a 60 day extension from the deadline of May 22, 2018. Thank you for this consideration.
