IN RE: REQUEST FOR EXTENSION TO FILE WRIT OF CERTIORARI
AND REQUEST FOR A WRIT OF CERTIORARI PACKET AND FORMS

My name is Mr. Strain and I am writing to your office to request for the above for the following reasons. I am incarcerated here at FCI Butner II and due to the flu epidemic that is nationwide as well as here, the facility went on institutional lock down and the petitioner was without access to the court and is requesting for a 60 day extension to file the Writ that the court will be sending. The 4th Cir. denied my appeal on Dec. 22, 2017 and today is Feb 19, 2018. Therefore, I am requesting to have the extension granted up to April 30, 2018. Thank you for your time. (See mandate letter attached)
