re: *Box, Commissioner, Indiana Department of Health
v. Planned Parenthood of Indiana and Kentucky, Inc.*
No. 18-1019
Unopposed request for extension of time to file
response to petition for writ of certiorari

Dear Clerk Harris,

I am counsel of record in the above case for respondent. Our response to the petition for writ of certiorari is due on March 6, 2019. We would like to extend the time for respondents to file their response to April 5, 2019. This is our first request for an extension. I have consulted with Indiana Solicitor General Thomas Fisher, who is counsel of record for petitioners and who has no objection to this extension of time.

This extension of time is necessitated by the press of other responsibilities. Among other things I will be responsible for the following matters prior to March 6: preparing a brief for the Seventh Circuit Court of Appeals; participating in a settlement conference; attending a hearing in district court; and defending a deposition, among other things.

Additionally, I am in need of sufficient time so that respondent's co-counsel may review and comment on the response before filing.

Thank you for your consideration in this matter.

Very truly yours,

Kenneth J. Falk
