Re: *Romag Fasteners, Inc. v. Fossil, Inc., et al.*, No. 18-¹²³³~~2133~~

Dear Mr. Harris:

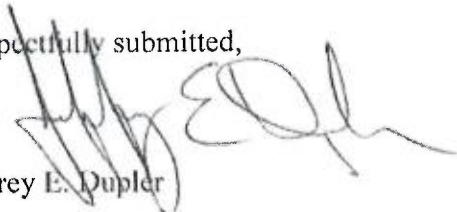

The petition for a writ of certiorari in this case was docketed on March 22, 2019. The brief in opposition currently is due April 22. We write on behalf of respondents to respectfully request a 30-day extension, to and including May 22, 2019, of the time within which to file the brief in opposition.

The extension would allow sufficient time to thoughtfully and thoroughly brief the relevant issues for the Court's consideration. These issues arise out of a litigation commenced in 2010 that has a substantial factual record. Moreover, the current due date for the brief in opposition falls during a time in which counsel for respondents have long-planned religious and family commitments.

Counsel for petitioner consents to this request.

Thank you for your kind consideration.

Respectfully submitted,

Jeffrey E. Dupler
