Re: *Dartmond Cherk, et al. v. Marin County, California*, No. 18-1538

Dear Mr. Harris:

I am counsel of record for Respondent Marin County, California, in the above-captioned matter. The petition for a writ of certiorari in this case was filed on June 11, 2019. On August 6, 2019, the Court called for a response to the petition. The response is currently due, without extension, on or before September 5, 2019. Pursuant to Rule 30.4, the County respectfully requests that the time for filing a response to the petition be extended by 30 days. If the requested extension is granted, the County's response would be due on Monday, October 7, 2019 (October 5 is a Saturday). This is the County's first request for an extension of time.

Respondent submits this request because undersigned counsel of record was not retained until a week after the Court called for a response, and counsel has had significant pre-existing obligations in other matters. These include: a petition for a writ of certiorari in *Romero v. Barr*, No. 19A218 (U.S.) (4th Cir. No. 18-1551), which is due on September 30, 2019; a petition for a writ of certiorari in *Pereida v. Barr*, No. 19-____ (U.S.) (8th Cir. No. 17-3377), due on September 30, 2019; the petition for rehearing en banc in *The Koala v. Khosla*, No. 17-55380 (9th Cir.), due on September 27, 2019; and the petitioner's opening brief in *Miniano v. U.S. Attorney General*, No. 19-12643 (11th Cir.), due on October 2, 2019.

Respectfully submitted,

/s/ Brian P. Goldman
