Re: *Toshiba Corp. v. Automotive Industries Pension Trust Fund, et al.*
No. 18-486

Dear Mr. Harris:

On November 6, 2018, the Court called for a response in the above-captioned case. The response is currently due on December 6, 2018.

Respondents respectfully request, under Rule 30.4 of the rules of this Court, a six-day extension of time to and including December 12, 2018, within which to file the response. This extension is necessary to allow counsel sufficient time to prepare the response in light of counsel's commitments in other matters as well as the possibility that additional *amicus curiae* briefs could be filed on December 6, 2018, to which Respondent may wish to respond. Because Respondent is seeking only a six-day extension, counsel's understanding is that this extension will not alter the conference for which the petition is scheduled to be distributed.

Sincerely

Susan K. Alexander
