***Re: No. 18-540; Leslie Rutledge, in her official capacity as Attorney General of
Arkansas v. Pharmaceutical Care Management Association***

Dear Mr. Harris:

I am writing on behalf of the Pharmaceutical Care Management Association (“PCMA”) in the above captioned matter. PCMA requests a 45-day extension under Rule 30.4 of the rules of this Court to file an Opposition to the Petition for a Writ of Certiorari. The Opposition is currently due on November 23, 2018. PCMA seeks an extension up to and including January 7, 2019. The Petitioner assents to this request.

PCMA’s opposition is currently due the day after Thanksgiving. PCMA seeks additional time in order to accommodate the holiday and travel schedules of the attorneys who will be preparing the opposition. Further, PCMA has agreed to accommodate the Petitioner’s request for a briefing schedule that will permit the Petitioner until after the winter holidays to determine whether she will submit a reply under Rule 30.6.

Thank you for considering this request.

Sincerely

/s/ Dean Richlin
