## IN THE UNITED STATES COURT OF APPEALS FOR THE ELEVENTH CIRCUIT

1	<b>10. 18-</b> 1	11013-E	)

IN RE: TODD BRITTON-HARR,

Petitioner.

Application for Leave to File a Second or Successive Motion to Vacate, Set Aside, or Correct Sentence, 28 U.S.C. § 2255(h)

Before: WILSON, MARTIN and ROSENBAUM, Circuit Judges.

### BY THE COURT:

Pursuant to 28 U.S.C. §§ 2255(h) and 2244(b)(3)(A), Todd Britton-Harr has filed an application seeking an order authorizing the district court to consider a second or successive motion to vacate, set aside, or correct his federal sentence, 28 U.S.C. § 2255. Such authorization may be granted only if this Court certifies that the second or successive motion contains a claim involving:

- (1) newly discovered evidence that, if proven and viewed in light of the evidence as a whole, would be sufficient to establish by clear and convincing evidence that no reasonable factfinder would have found the movant guilty of the offense; or
- (2) a new rule of constitutional law, made retroactive to cases on collateral review by the Supreme Court, that was previously unavailable.

28 U.S.C. § 2255(h). "The court of appeals may authorize the filing of a second or successive application only if it determines that the application makes a prima facie showing that the

application satisfies the requirements of this subsection." *Id.* § 2244(b)(3)(C); see also Jordan v. Sec'y, Dep't of Corrs., 485 F.3d 1351, 1357-58 (11th Cir. 2007) (explaining that this Court's determination that an applicant has made a prima facie showing that the statutory criteria have been met is simply a threshold determination).

In his instant pro se application, Britton-Harr indicates that he wishes to raise one claim based on newly discovered evidence. He alleges that the government had presented evidence at his criminal trial that he, acting as the real estate agent and power of attorney for his stepmother, Karyn J. Britton, made a false statement on Karyn's loan application for a condominium unit. He states that he presented a defense at trial that Karyn was solely responsible for the false information made to Wells Fargo bank and that all of the documents he had signed were correct. He alleges that, when he was released from prison in February 2017, he began investigating his case and discovered that during Karyn's trial, her loan application was presented as evidence and was allegedly signed by Wells Fargo employee Gary Owens. Owens had not testified at his trial.

Britton-Harr asserts that he contacted Owens and showed him the application in order to obtain an affidavit from Owens. Britton-Harr states that, upon contacting him, Owens stated that the signature on the loan application was not his own and had been forged. Britton-Harr asserts that he was unable to contact Owens while in prison and had never communicated with him prior to trial, despite the government's assertion otherwise. He argues that Owens's statement that the loan application had been forged was newly discovered evidence, because the government had relied upon a false document in order to obtain the conviction. He asserts that he is entitled to a new trial because the evidence was discovered after trial in October 2017, he exercised due

diligence in finding it, the evidence was not cumulative or impeaching, the evidence is material, and the evidence would produce a different outcome at trial.

Britton-Harr attaches the following documents to his application: (1) text messages between himself and Owens, which indicated that Britton-Harr had asked Owens to sign an affidavit and Owens responded that "[t]he application does not have my signature on it. I have to ask my attorney"; (2) two loan applications, one that appears to have been signed by Owens but not by the borrower and is dated July 25, 2006, and one that indicates that Britton-Harr signed it on behalf of Karyn as the borrower and is dated August 14, 2006, but has Owens's name typed with no signature; and (3) a credit report prepared for Wells Fargo.

Here, Britton-Harr has not made a *prima facie* showing that his claim meets the statutory criteria. See 28 U.S.C. § 2255(h). Britton-Harr has not adequately explained how the forged loan application would demonstrate his factual innocence of making a false statement, aside from his conclusory statement. See In re Boshears, 110 F.3d 1538, 1541-43 (11th Cir. 1997) (holding that an applicant must explain how the new evidence would demonstrate his factual innocence); 28 U.S.C. § 2255(h)(1). Initially, it is unclear that Owens actually alleged that his signature was forged in his text message exchange with Britton-Harr, as he stated that his signature was not on the application, not that his signature was false. It is possible that Britton-Harr sent Owens the application without Owens's signature on it, instead of the one with it. Nonetheless, even if Owens was referring to his signature being forged, Britton-Harr does not explain how Owens's alleged forged signature negates the jury's finding that he made a false statement on Karyn's loan application, as he does not allege that the entire loan application was forged or that his signature on behalf of Karyn was forged. See Boshears, 110 F.3d at 1541-43. Instead, it merely calls into

Case: 18-11013 Date Filed: 03/30/2018 Page: 4 of 4

question the integrity of the document without otherwise negating the jury's finding that Britton-Harr made a false statement. See id.; 28 U.S.C. § 2255(h)(1).

Accordingly, because Britton-Harr has failed to make a *prima facie* showing of the existence of either of the grounds set forth in 28 U.S.C. § 2255, his application for leave to file a second or successive motion is hereby DENIED.

Can you just attest to the paperwork? I only know that the application is checked phone interviews and I never spoke to you. The loan being no doc means that the application was automatically filled from the credit report. That is all I need you to say. Can you do that?

The application does not have my signature on it. I have to ask my attorney.

#### PROCEEDINGS

(Court called to order.)

1.4

(Defendant and all counsel present; jury not present.)

THE COURT: Good morning. There's several matters outstanding but only one I think that we need tend to before jury selection and that's the basis of Defendant's supplemental trial memorandum complaining about government recordings that have not been reviewed.

Anything more you want to add to that, Mr. Kypreos?

MR. KYPREOS: Yes, Your Honor, just to briefly reply
to the Government's response. I believe it comes out to about
310 phone calls. I had a typographical in my original saying
based on 400 there would be ten hours. There would actually be
100 hours if it were 400 in cases of 15 minutes of these.

And also to respond to the point they make -- the local rule, as I read it, is broader, gives us more than what Rule 16 does. The very first sentence talks of defendants being entitled to written or oral statements or recorded statements, period; no qualification whatsoever as in Rule 16, Your Honor. Rule 16 says if it's made to an agent and recorded at the time.

So the local rule gives us more than what we're normally entitled to. So the point simply is, is we had not received those beforehand. If I knew which ones they might use, then obviously it may only be one call, there may only be two calls, so it wouldn't be a problem.

 $A-2\bar{7}$ 

Well, without knowing if your client is 1 THE COURT: 2 going to testify and what he might testify to, how in the world 3 are they going to tell you what's impeachable? 4 MR. KYPREOS: I agree with that, Your Honor, but it 5 was my understanding from talking with the prosecutor that 6 perhaps they had identified some calls. I just wanted to raise 7 the issue now so that perhaps after they hear the testimony they 8 feel they're going to use the tapes, if we could at least have 9 some agreement that we have the opportunity to know which tapes 10 they may use in cross so that I could examine it to see if 11 there's something else we may need to put in in addition to what 12 they're going to use. 13 We're really not -- don't want to continue this case. 14 And I just wanted to let you know there is a problem there. 15 I'm just concerned that after he testifies -- they may only have 16 one tape. Like you say, I don't know. They may end up having 17 20 and that may force some type of a break to give us the 18 opportunity to review them. 19 When I last talked to Mr. Goldberg, my sense was he 20 didn't feel this was going to be a major problem, and I kind of 21 see it that way, too. 22 THE COURT: Well, tell me this, though: Why haven't 23 you had the opportunity of reviewing them if you wanted to? 24 MR. KYPREOS: Well, Judge, I just received the copies 25 from the --

THE COURT: But you were offered the copies early
December.

MR. KYPREOS: He had made -- had made note of them.

And basically it was my understanding, because they had given us copies of the others, that apparently -- I knew they were looking at them. It just didn't seem like there was going to be anything relevant to them. And I didn't realize that they may actually want to use parts of it even for impeachment until we had our conversation a few days ago.

I understand your point. I could have gotten copies. But with the thousands of documents that I had in this case and with that seeming to be unlikely since they hadn't even provided us with copies, I just didn't see any weight to them at the time, Your Honor.

THE COURT: Mr. Goldberg, anything you wish to offer?

MR. GOLDBERG: Your Honor, only for clarification purposes for the record. The local rules, when it regards statements of the defendant, it directly references the Federal Rules of Criminal Procedure. They are meant to be read in tandem. That is the Government's interpretation of the rules.

Regardless, I don't think there is going to be an issue. The Defendant's recorded jail calls are terribly self-serving, they're replete with foul language and inflammatory, and the Government will probably not use any of them. Depending on what comes out during the Defendant's case, A-29

1	if there is a chance that we will use them, we will certainly
2	notify the Defense as to which calls in advance we may use, but
3	at this juncture I don't think it's going to be an issue.
4	THE COURT: All right. Well, do just exchange
5	information as early and as soon as anything can be anticipated.
6	And they're preparing the jury right at this moment so
7	it shouldn't be but just a few moments.
8	MR. GOLDBERG: Your Honor, the Government would make a
9	motion to sequester and invoke the rule. The investigators are
10	going to be present, but other than that I don't know who else
11	is in the courtroom. We would move to sequester any and all
12	witnesses.
13	THE COURT: Counsel are advised to advise their
14	witnesses of the requirement.
15	MR. KYPREOS: Yes, sir, and we join. And we agree to
16	a second investigator to be present. It's our understanding
17	that she'll just basically be testifying as to documents being
18	placed in evidence, and the Government tells us it will help
19	them facilitate handling of the documents.
20	THE COURT: Thank you. Anything else, Mr. Kypreos?
21	MR. KYPREOS: No, sir.
22	THE COURT: All right. We'll be in recess until the
23	jury is seated.
24	(WHEREUPON, Jury Selection was not authorized to be
25	transcribed and not included in this transcript.)

THE COURT: All right. We'd like to turn our attention then to the Government's first motion in limine. Anything you want to add to that, Mr. Goldberg?

MR. GOLDBERG: Your Honor, I have spoken with Defense counsel regarding both motions in limine as well as the 404(b) notice, and I actually believe they've all been resolved, that the parties agree as to the exhibits that are admissible and there is no dispute.

If there happens to be a relevancy objection, then we can just raise that during the trial, but I don't think the Defense is objecting to the motions in limine or the 404(b) notice at this time. That's my understanding. And I believe we've agreed upon the exhibits and the testimony that will come forward.

THE COURT: Is that correct, Mr. Kypreos?

MR. KYPREOS: I agree, Your Honor. As I said, the only thing we'd reserve on the 404(b) notice would be if it goes into other wrongful acts, which, of course, isn't limited to just criminal activity, but anything that might come within that rubric.

But the prosecutor has indicated to me he's basically bringing certain documents in for certain transactions just basically to show the transactions that occurred and the Defendant's familiarity with the real estate process, and I agree that's relevant so I don't anticipate any controversy. If A-31

it does, we'll address it then, but I don't anticipate any. 1 2 THE COURT: All right. Well, just in keeping, since 3 there is a motion, I would grant them in the sense that it would not be introduced or discussed in any way without prior 4 5 discussion with the Court. 6 MR. KYPREOS: Right. If I somehow think it is 7 relevant, I'll ask to approach the bench and make a proffer at 8 the appropriate time, but I don't conceive of that being a 9 possibility. 10 THE COURT: Anything else? I didn't know we were 11 going to be so brief. 12 MR. GOLDBERG: No, Your Honor. The Government would 13 be less than ten minutes for an opening. 14 THE COURT: And what would just be your grand estimate 15 as to schedule, how much time you would be --16 MR. GOLDBERG: I think based on opening, at or around 17 one p.m. today that the Government is going to come awfully 18 close to resting late this afternoon, but maybe one or two 19 witnesses into the morning. But for sure the Government will 20 rest before mid-morning break tomorrow, based on our schedule 21 today. 22 THE COURT: Let that be your quide, Mr. Kypreos. And 23 I know it's much more difficult for you at this point, but do 24 you have any guesstimate as to what your --25 MR. KYPREOS: Your Honor, I would guesstimate calling

perhaps in addition -- first the Defendant. Of course, he'll make that decision at the appropriate time, but I anticipate he would testify. And I would anticipate calling one, possibly two other witnesses, depending on what I hear.

I really don't see where more than a half day would be required for us. I mean, there's a lot of paperwork to go over. That's been one of my major concerns. I think Mr. Goldberg probably thinks I've been obsessing over it, getting the paperwork in and moving that along smoothly, but I don't think we would take long at all, Your Honor.

THE COURT: All right. Well --

MR. KYPREOS: So, I mean, we could possibly, you know, be getting this to the jury, you know, or at least our closing arguments or what have you -- I don't know what your preference would be at the time, but depending on how things go, if you want us to make our closing arguments and bring them back the next day to be instructed, of course, we'll have to wait and see.

THE COURT: We'll wait and see where we get, but that's a big help. I thank you for those tips. Anything else we need to discuss before one o'clock?

MR. GOLDBERG: Nothing from the Government, Your Honor.

THE COURT: All right. We'll be in recess until that time.

A-33

1 (Recess taken 11:20 a.m. to 1:03 p.m.) 2 THE COURT: And we have everyone present. Anything we 3 need to take up? 4 MR. KYPREOS: No, Your Honor. 5 THE COURT: If not then, Mr. Maddox. 6 (Jury in the box.) 7 THE COURT: Ladies and gentlemen, we are ready to 8 proceed now in the case of the United States of America versus 9 Todd Britton-Harr. And if you would, please stand and be sworn 10 in as the jury to hear this case. 11 (Jury duly sworn.) 12 THE CLERK: Be seated. 13 THE COURT: All right. And now that you have been 14 sworn, I want to give you some preliminary instructions to aid 15 and assist you in your participation in this trial. And it will 16 be your duty to find from the evidence what the facts of the 17 case are. You and you alone are the judges of the facts. 18 then you will have to apply to those facts the law that I will 19 explain to you at the conclusion of the presentation of the 20 evidence, and you must follow that law whether you agree with it 21 or not, and that is in keeping with the oath that you have just 22 taken. 23 And I do want you to understand from the very 24 beginning that you must not take anything that I may say or do 25 during this trial as any indication that I have any opinion

concerning the issues in the case or what your verdict should be. And therefore, except for my instructions to you on the law, you must disregard anything that I may say or do in arriving at your own determination of the facts.

Now, the evidence from which you will find the facts will consist of testimony of witnesses, of documents and other exhibits that may be admitted into the record, any facts that the attorneys might agree to or stipulate to, and any facts that the Court might direct that you are to find.

Now, certain things are not evidence and must not be considered by you in any way. First, statements and arguments and questions by the attorneys are not evidence. Objections to questions are not evidence.

And I do want you, though, to understand that the attorneys do have an obligation to their respective clients to make all objections that they feel are necessary and proper.

And therefore, if a question is being asked that an attorney feels is contrary to the Rules of Evidence or Rules of Procedure, they will make an objection to that question.

Now, the Court will either overrule the objection or sustain the objection. Now, if the objection is sustained, then the witness will not be permitted to answer the question, and you must not speculate on what that answer might have been or draw any inference solely from the question itself.

If the objection is overruled, then the witness will  $$A\!\!-\!\!35$$ 

be permitted to answer, and you must accept and weigh and judge that testimony just as you do any other testimony in the case without regard to the objection or the Court's ruling on that objection.

Now, if you are instructed that some item of evidence is being admitted for a limited purpose only, then you must follow that direction.

Now, testimony that the Court might exclude or direct that you are to disregard is not evidence and must not be considered.

Now, anything that you may have seen or heard outside of the courtroom is not evidence and must be disregarded. You are here to decide the case solely on the basis of the evidence presented here in this courtroom during the trial.

Now, there are two kinds of evidence, and that is direct and circumstantial evidence. Direct evidence is the direct proof of a fact such as the testimony of an eyewitness, while circumstantial evidence is proof of facts and circumstances from which you may infer or conclude that other facts exist.

And I will give you further instructions on these points as well as certain others at the conclusion of the presentation of the evidence, but do keep in mind that you may consider both direct and circumstantial evidence in deciding your verdict.

Now, it will be up to you to decide which witnesses to believe and which witnesses not to believe or how much of a witness' testimony to accept or how much to reject. Again, I will give you some guidelines at the conclusion of the presentation of the evidence that might assist you in determining the credibility of the witnesses.

Now, as you know, this is a criminal case, and there are three basic rules about a criminal case that you must keep in mind. And I did discuss these with you during your selection earlier here today.

First, the Defendant is presumed to be innocent until and if proven guilty. The indictment against the Defendant brought by the Government is only an accusation and is nothing more. It is not proof of guilt or anything else. A defendant, therefore, starts out this trial with a clean slate.

Second, the burden of proof is on the Government until the very end of the case. The Defendant has no burden to prove his innocence or to present any evidence or to testify. Since the Defendant has the absolute right to remain silent, the law prohibits you, in arriving at your verdict, from considering that the Defendant may not have testified.

Third, the Government must prove the Defendant's guilt beyond a reasonable doubt. And I will give you further instructions on this point later as well, but do bear in mind that in this respect a criminal case is different from a civil

case.

And again, I don't remember if any of you have served on civil cases, but do keep in mind that proof beyond a reasonable doubt is a greater or higher burden than that used in the civil case.

Now, in this case the Defendant is charged with two offenses. Count One charges that between on or about June 1st of 2006 and on or about October 31st of 2009, that this Defendant and a co-defendant, Karyn J. Britton, did knowingly execute and attempt to execute a scheme to defraud a financial institution and to obtain monies, funds, credits, and assets owned by and under the custody and control of Wells Fargo Bank, which is a federally insured financial institution, by means of materially false, fraudulent pretenses, representations, and promises. And all, as charged, would be in violation of Title 18, United States Code, Section 1344 and 2.

Now, Count Two charges that on or about August 14th, 2006, that the Defendant, Todd Britton-Harr, and Karyn Britton did knowingly make a false statement and report for the purpose of influencing the action of Wells Fargo Bank; that is, that they knowingly submitted false and fraudulent residential loan and mortgage documents in relation to a loan application, and the Defendants then and there well knew that the documents contained omissions and misrepresentations as to liabilities, the intent to occupy the property, and the relationship of the

parties involved, in violation of Title 18, United States Code,
Section 1014 and 2.

And as I pointed out earlier today, there are two persons charged in each count of the indictment, but you are only concerned with the Defendant, Todd F. Britton-Harr, who is the Defendant in this case on trial.

Now, I will give you detailed instructions on the law at the conclusion of this case, and those instructions will govern and control your deliberations and your verdict.

Now, just a few words about your conduct as jurors during this trial: First, I do instruct you that during the trial you should not discuss the case among yourselves, certainly not with anyone else, or allow them to talk to you about the case or speak of the case in your presence. Until you retire to the jury room at the end of the case to begin your deliberations, you are simply not to talk about this case at all.

Second, do not read, listen, or watch any news reports or anything else that might bear upon this case in any way.

Now, if anyone should attempt to talk to you about the case or speak of the case in your presence, then advise them that you're on the jury, ask them to stop. And should they persist, then leave them at once, report the matter as soon as you can to the security officer, and he will bring it to my attention, and it will be dealt with as a matter of contempt of A-39

court and punished accordingly.

1.7

Third, do not do any research or make any investigation or inquiry on your own about this case.

And finally, do not attempt to form any opinion concerning the merits of the case until after you have heard all of the evidence, the arguments of the attorneys, and received your instructions on the law.

Now, we will begin the trial shortly, and I do want to explain to you briefly how the trial will be conducted. First, the attorney for the Government will make an opening statement, which is simply an outline to help you better understand the evidence that is presented for your consideration. And following the Government's opening statement, the Defense attorney then has the opportunity of making an opening statement, if he wishes to do so.

Now, I do want you to understand that what the attorneys say during their opening statements, or for that matter, at any time during the trial, is not evidence, and it is not your instructions on the law. But following the opening statements, the Government will then present its case, call its witnesses, and counsel for the Defendant will have opportunity of cross-examining those witnesses.

And following the Government's case, then the Defendant would have the opportunity of calling any witnesses, presenting any evidence that he may wish. Again, I do remind

you the Defendant is not required to call any witnesses or to produce any evidence or to prove his innocence, but this would be the opportunity for him to do so if he so chooses.

And after all of the evidence has been presented, then the attorneys will present their closing arguments in which they may summarize and interpret the facts that they believe have been presented. And following the closing arguments, then I will give you your instructions on the law, and then you would retire to begin your deliberations.

Now, during this trial it may be necessary for me, on occasion, to speak with the attorneys out of the hearing of the jury concerning matters of law and matters of trial procedure that are not of legal concern to the jury.

Now, it's impossible to predict when such a conference will be necessary or how long it might take. But if I expect it to be just a brief discussion, then I will invite the attorneys to approach the bench here, and we'll continue that discussion in whispered tones so as not to disturb you. If I expect it to be a longer discussion, then you will be excused to the comforts of the jury room while we continue with that discussion here in open court.

But I do want you to understand that when such a conference is necessary that it will be conducted in such a fashion so as to utilize as little of your time as might be consistent with an orderly and fair disposition of the issue.  $\frac{A-41}{A-41}$ 

Now, at this time the attorneys for the parties will have the opportunity of making their opening statements to you in which they may explain the evidence that they believe will be presented, the issues that they see in the case, and they may discuss the law that they believe might be applicable. Again, I do remind you that what they say is not evidence and it is not your instructions on the law, but they are clearly intended to help you better understand the evidence, the issues, and the applicable law, so I do urge your careful attention.

Now, our rules provide always that each side has equal opportunity of addressing the jury, but the rules do provide that the Government's attorney will proceed first, as the Government does bear the burden of proof. And for that reason and that purpose, I'd call upon Mr. Goldberg.

# GOVERNMENT OPENING STATEMENT

MR. GOLDBERG: May it please this honorable court.

Ladies and gentlemen of the jury, good afternoon. The case you're about to hear is not a complex case. It's not a complex case, but it is a serious one. It's not complex because it really focuses on a pretty simple scheme of fraud and false statements during real estate transactions utilized to make a profit. It's all about the money.

It's serious, however, because the evidence will show how the Defendant and others manipulated the mortgage system for profit. You'll hear a lot of testimony and see a bunch of

documents back and forth regarding the Defendant and real estate 1 2 transactions he was involved with regarding the Purple Parrot 3 Village condominiums on Perdido Key. 4 You'll hear how the Defendant and others -- not just 5 the Defendant but the Defendant and others were making money 6 while playing fast and loose with the rules. But most 7 importantly, you'll see how the Defendant structured some 8 transactions, he structured certain transactions to defraud 9 Wells Fargo Bank while he and his own stepmother worked to 10 acquire condominium unit A19U -- one condominium unit, A19U. 11 Really the charges are as simple as that: Wells Fargo 12 Bank got defrauded over A19U, and the evidence will show how the 13 Defendants schemed to do it along with others. It is not a 14 complex case, but it's serious and a lot of money was exchanging 15 hands. All I ask is that you pay attention to all the evidence 16 and apply the same common sense you do to go about your everyday lives. Thank you. 17 18 All right, Mr. Kypreos? THE COURT: 19 MR. KYPREOS: Good afternoon. My name is Spiro 20 Kypreos, and I'm representing Mr. Todd Britton-Harr in this 21 In many ways it is a simple case, simple in the sense matter. 22 that the issues that you're going to have to resolve are going 23 to be pretty obvious to you. 24 What I'd like to do is give you a few benchmarks

because we will be throwing a lot of information at you, and I'd

A-43

25

like to give you a little bit of a preview of what some of that evidence will be so you can kind of keep track of it as we go along.

1.1

Now, in Count One, as the judge has indicated to you, the Defendant is charged with a scheme to defraud, a scheme to defraud a federally insured bank or financial institution -- actually, financial institution.

Now, the co-defendant, Karyn Britton, has already entered a plea in the case. It is anticipated she will testify. Of course, each defendant in any criminal case is judged on the basis of the evidence against them. So the fact that one person has pled guilty does not prove that the other person is guilty, and that's why we're here, that's what you're going to have to resolve.

Now, we're going back about five years in time. The main unit, the unit that is the key to the charges is what they call Unit A19U. You may hear about other units. You may hear about A5D or you may hear about B10. Just so you can help -- to help you follow this, if you hear a unit with U, it means it was an upstairs condo. If you hear a unit with D in it, it means it was a downstairs condo. If you hear a unit number without a letter, it means it was two story. So that will kind of hopefully help you be able to keep track of this.

The name of the condominium project involved or building is the Purple Parrot Village and it's in Perdido Key.

Back in 2006, Mr. Britton-Harr was a Realtor, he was a licensed Realtor. He also had businesses including, but not limited to, a construction business. His construction business may have done some work for repairs as a subcontractor to other contractors out at that time. His business also may have done interior work for folks and particularly for folks who were about to sell or about to buy a condominium unit.

Now, what we anticipate is that you're going to hear that around June 26 of 2006 three contracts were signed by Ms. Karyn Britton to buy three units at the Purple Parrot. And you will hear that Mr. Britton-Harr was the Realtor. It may have been his stepmother, but he was, in fact, the Realtor. He was working for Trident Realty. And the realty company would get a commission for the transactions, and Mr. Britton-Harr would receive a percentage of that commissions. That's what he did for a living.

We believe the evidence will show he was very successful at it, that he had been engaged in numerous real estate transactions at the Purple Parrot about the time of 2006 and 2007. It's not a crime to make money. This is a free enterprise system. We all understand that. But as the prosecutor indicates, you have to play by the rules.

And the question is going to be is whether or not the Government has proven that the Defendant acted unlawfully in some manner with respect to the A19U transactions. Now, the \$A-45\$

prosecutor has already made some comments about how he -suggesting the Defendant -- that the evidence is going to show
the Defendant was engaged in all kinds of things out there. But
the key thing is this A19U unit. And what's the fuss about it?
Why are we hear?

Well, in order to purchase A19U, Karyn Britton had to get money, like most of us. She had to go and find somebody who would finance the transaction, and that's where the issue is going to be. I anticipate, as you've heard from the Government already, that they will offer evidence and they will argue that it was all Mr. Britton-Harr's scheme or motivation here, that he was the one that they will claim was pushing the transaction. And the Defense's position is simply is, no, that's not true, that's not true.

So that's where the point of contention is going to be. And after you see all of these documents and you hear everything about what's in these documents or not in them, that's really what it's going to get down to. Who really is it that made the loan application with respect to A19U?

I anticipate you're going to see the sales contract with respect to that transaction or each of those transactions and what they contain. I anticipate that those documents will show that with respect to Unit B10 -- that's B10, two story -- that there was a provision in the sales contract itself that Ms. Britton signed that about \$48,400 would be paid out at the

closing at the settlement for repairs or upgrades that would be done for Unit B10.

There was no such repairs or money set aside for C46.

C46 was just simply a sale, no repairs needed, no money going to anybody to do repairs. And I believe there will be evidence that with respect to Unit B10 it was \$30,000 that would be for Mr. Britton-Harr for repairs done to that unit.

Then what you'll also hear is with respect, again, the key unit here, A19U, that there were no moneys in that transaction going to Mr. Britton-Harr for repairs, at least at the closing. There was about \$66,500, I believe the figure will be, that was going to go to a company -- an LLC called Five O'clock Somewhere. And essentially that was a company that was owned by Ms. Britton.

So the documents themselves, the contract for sale for the unit will show that that amount of money was going to go to Five O'clock Somewhere, which everybody knew from the contract. Everybody knew when they were going to closing that at least that amount of money would be going to Five O'clock Somewhere for repairs or upgrades.

There will also be evidence that the closing documents in the case indicate that cash was not to go back to the borrower, and that's where we'll have disagreements and disputes on that. The Government will probably argue that it's one and the same. We'll argue, hey, it's an LLC, it's a separate  $\begin{array}{c} \text{A-47} \end{array}$ 

entity, the money didn't go back to Ms. Britton personally, it went back to her LLC.

1.9

And we believe you'll see that the appraisal report with respect to this building anticipated that there would be upgrades or repairs.

Again, that money was not going or destined to go in any fashion to Mr. Britton-Harr. It was to go to Ms. Britton's LLC.

So you will probably hear a lot of testimony about that these were what they call no document transactions. This was -- the way -- the evidence, I believe, will show is back in 2006 that property values were skyrocketing out at Perdido. We can all remember before the fall, before the financial crash, there were good times.

And back in 2006 and 2007, it was good times, the evidence will show. And I believe you'll see evidence that a lot of these units went up incredibly in terms of market values or appraisal values on the property.

Now, you may hear also, for example, that even before all of this started, these particular transactions, that Mr. Britton-Harr wanted to buy a unit called A7U. Okay. And he went to Ms. Britton for assistance on that because he didn't have the credit. He asked her to buy it. They signed out on a buyout agreement, and I believe she quitclaimed the property to herself and to her husband and to Mr. Britton-Harr and to Mr.

Britton-Harr's wife on the same date as the closing date that occurred on A7U.

The whole intent was that Mr. Britton-Harr was going to buy that particular unit. That was his goal. And we believe the evidence and testimony will be that, in fact, he was making the monthly payments on that unit and that he was also making the condominium fee payments on the unit.

Now, why is this significant? Because eventually, as we get -- that was done around January 25th, 2006. That's when the A7U unit closing occurred. But going along, everything is fine, Mr. Britton-Harr is paying for that. And then we get to the summer of 2006, which is when all of these other events I've been talking to you about started to happen.

And part of the deal was, when Mr. Britton-Harr bought the A7U unit, was that about \$40,000 would be paid by him eventually to Ms. Britton for having financed basically this transaction for him, so that she could realize a profit of \$40,000 through her investment in this matter.

And we believe the evidence will show that around August 3rd, 2006, that Mr. Britton-Harr did refinance on that unit. In fact, the property had been quitclaimed back to him in the summer of 2006, around July of 2006. He refinanced on it, and that closing called for \$40,000 to go to Ms. Britton -- Karyn Britton. I'll try to use both names because the names are so similar I don't want to confuse y'all here.

Essentially the monies, we believe the evidence will 1 2 show, from that \$40,000 was used to assist some of the 3 transactions we've been talking about, the transactions for C46 4 or A19 or B10. I believe some of the money went as payment for 5 two of those units, and we'll get into those details later. 6 Now, the document -- the loan application for A19U was 7 signed by Mr. Britton-Harr through a power of attorney -- he was 8 the Realtor -- on July 29th, 2006, which is a little over a month after the contracts were signed. Karyn Britton signed 9 10 specific powers of attorney for each unit giving Mr. 11 Britton-Harr, her Realtor, authority to sign off on the 12 documents at closing. 13 And you will see closing paper after closing paper for 14 A19U, for C46U, and for B10 that were signed by Todd 15 Britton-Harr as power of attorney for Ms. Britton. 16 We believe you will hear testimony to the effect that 17 the loan application itself -- the loan application itself for 18 Unit A19U was prepared physically by the lender. In other 19 words, it's not where you, the borrower, somehow go in and fill 20 in the blanks and write it in or type it in. That is not what 21 the evidence will show was happening in this case or any of the 22 other closings. 23 You'll see there were several different lenders 24 involved with different units. It seems like MortgageIT, a 25 company then, was financing a lot of these transactions. They

were a broker, and they were also apparently financing them and then selling the mortgages later. And in this case you'll see that the lender was Wells Fargo. The lender was Wells Fargo.

1.8

And so the loan application that you will see coming into evidence, it will have Karyn Britton's name on it, she's the borrower, not Todd Britton-Harr. Okay. The loan application will be very clear. Karyn Britton and I believe her husband's name is on the loan application.

And both names will eventually get on the mortgages and the deed, but essentially she's the one pushing the transactions. Her name is on the application, and the Defendant is signing all of these documents at closing.

We're going to ask y'all -- if y'all have bought homes or been through closings before -- I suspect most of you have been through that nightmare, and I don't have to describe the process to you. It's a lot of paperwork. You get in there and they shove a lot of forms at you, and you're signing away.

He did that as her Realtor pursuant to a power of attorney. That's not disputed either. So that's -- when the prosecutor says it's a simple case, most of these facts as to who signed what or what papers were signed and what they say really are not going to be in dispute.

The real issue is going to be, who provided the information to the lender? Why is it -- and this is what one of the key issues will be, it's alleged in the indictment. The \$A-51\$

Government is saying -- and it's true -- on the loan application itself where you have assets and liabilities -- and the closing on A19U occurred on August 14th, 2006.

1.3

1.4

The loan application is signed that very day, okay, and it has — it — you know, basically what you're going to see is, it doesn't have the unit known as C46U listed on there anywhere. It doesn't have a C46U unit listed on there. It doesn't have B10 specifically listed. In other words, you will not see the number C46 or the number B10 anywhere.

What you will see on application -- and this is where things may start getting a little confusing to you is, there will be evidence that Ms. Britton owned a home in Bradenton, Florida, okay. She had owned a home in Bradenton, Florida, which had been listed on the transactions for C46 and B10. I mean, that wasn't hidden. There it was, Bradenton, Florida, a mortgage. It shows the address in Bradenton, the amount of the mortgage, and what the monthly payments are going to be.

It even showed A7U, the other unit that she had bought and had an interest in at the time -- or at least she thought she did despite the quitclaim. But at any rate, A7U was listed in that loan application for B1O.

What you will see on the loan application for A19U is, when you get to the assets and liabilities, on the one page for the assets and liabilities in the upper left-hand corner you will see the address not for Bradenton -- not for the Bradenton,

Florida home.

You will see an address for the Purple Parrot Village address there twice; you will see it twice. And you will see next to that address in each one the letter A, just basically two references to the Purple Parrot Village address suggesting that there's some kind of property there that she has an asset of pertaining to two instances to the Purple Village (sic).

Then to the right you will see mortgage information that doesn't jibe with that exactly. What you will see is, you will see mortgage information that pertains to A7U, even though A7U isn't even really specifically specified in that address. It's just an address for some kind of unit at the Purple Parrot.

And then you will see mortgage information -- again, this is on the A19U loan application. You will see mortgage information that pertains to the Bradenton home. So you've got an address over here that apparently refers to something over at Purple Parrot Village. And then if you actually study the numbers carefully, it will show, well, it's really the numbers for the Bradenton house, even though the address isn't there on the loan, and it will show mortgage information that pertains to A7U.

Now, we can't argue -- now, I can't argue what the significance of that is, but that is information you will hear and that we have the opportunity to discuss with you after all the evidence is in.

Now, as I said, this loan is what they call a no document loan, and you'll be hearing information about that process.

And so in the first count the Defendant is accused of a scheme to defraud a financial institution basically by knowingly falsely allegedly providing false material or misinformation to Wells Fargo. And the second count basically is providing false information and application to influence the institution in deciding to make the loan.

So that's where we are. The Defendant at this point is presumed innocent, so you've each committed -- you don't have -- you believe in his innocence at this time. You assume him to be innocent. As the judge indicated, you don't start forming your judgments until you've heard everything and you've been instructed on the law and then you go back into that jury room. So please do not form any hard opinions on the basis of parts of the evidence as it progresses.

As the judge indicated to you, they won't give you a transcript. There's going to be some detail here, some numbers. I just hope that what I've discussed with you now will help you follow it as this all unfolds. Thank you very much for your attention.

- 1 market investors.
- 2 | Q. And is Wells Fargo Bank a federally insured financial
- 3 institution?
- 4 **A**. Yes.
- 5 MR. GOLDBERG: Your Honor, I'm going to move to admit
- 6 | a stipulated exhibit, which is Government's Exhibit 1, the proof
- 7 | of insurance status of Wells Fargo I believe counsel has
- 8 | stipulated to.
- 9 THE COURT: That will be admitted.
- 10 (Government's Exhibit 1 admitted into evidence.)
- 11 MR. GOLDBERG: And if I may publish it with the
- 12 | Court's permission.
- 13 | THE COURT: Ladies and gentlemen, I do want you to
- 14 understand that you will have all the exhibits that are admitted
- 15 | into the record for your careful and detailed study during your
- 16 deliberations. So don't be concerned if it's not shown to you
- 17 | as long as you might like or what other witnesses may refer to
- 18 | it and counsel may refer to it in their closing, but regardless,
- 19 | you'll have it for your careful study.
- 20 BY MR. GOLDBERG:
- 21 Q. Ms. Woodbury, can you see the document Government's Exhibit
- 22 | 1 on that computer screen in front of you?
- 23 **A.** Yes.
- 24 | Q. Could you read paragraph No. 1, please.
- 25 A. "I, Thomas E. Nixon, hereby certify and attest that I am a

- 1 | counsel at the Federal Deposit Insurance Corporation and that I
- 2 | have the official custody of the records of the Federal Deposit
- 3 Insurance Corporation."
- 4 Q. And could you read paragraph 3, please.
- 5 A. "I further certify that insurance applicable to the main
- 6 office of Wells Fargo Bank, National Association, is applicable
- 7 to any domestic U.S. branch office of Wells Fargo Bank, NA."
- 8 Q. And on the back of Government's Exhibit 1, is that the
- 9 certification of the FDIC that Wells Fargo and its banks are
- 10 | insured?
- 11 **A.** Yes.
- 12 Q. Ma'am, I'm going to direct your attention to August 2006.
- 13 Were you working as an underwriting manager at that time?
- 14 **A.** Yes.
- 15 | Q. And were you asked to conduct an underwriting review for
- 16 | Wells Fargo Bank regarding Unit Al9U at the Purple Parrot
- 17 | Village in Perdido Key, Florida?
- 18 **A.** Yes.
- 19 Q. And was that because Wells Fargo Bank was going to be the
- 20 lender?
- 21 A. That is correct.
- 22 Q. Could you tell the ladies and gentlemen of the jury who the
- 23 | borrower was for Unit A19U?
- 24 A. The borrower was Karyn Britton.
- 25 Q. And could you tell the ladies and gentlemen of the jury who A-57

- 1 | the Realtor for the transaction was.
- 2 **A.** The Realtor was Todd Britton-Harr.
- 3 Q. Were you, as the underwriter, ever made aware of a family
- 4 relationship between the two of them?
- 5 A. No.
- 6 Q. Could you tell the ladies and gentlemen of the jury what
- 7 Unit A19U was supposed to be occupied as?
- 8 A. The application was for primary residence at A19U.
- 9  $\mathbf{Q}$ . And could you tell the ladies and gentlemen of the jury
- 10 what liabilities, that is, what debts were listed on the
- 11 | paperwork that you saw for Unit A19U?
- 12 MR. KYPREOS: Your Honor, we'd object. The best
- 13 | evidence would be the document itself.
- 14 **THE COURT:** Objection is overruled.
- 15 BY MR. GOLDBERG:
- 16 Q. Please continue. What did you see on the documents as to
- 17 | the liabilities listed on A19U?
- 18 **A.** There was the residence that she currently resided at in
- 19 | Bradenton, Florida, and another unit at 1355 (sic) Perdido Way
- 20 | in Pensacola, Florida, which was Unit 7U.
- 21 Q. So it was one unit and one house in Bradenton?
- 22 A. That's correct.
- 23 Q. There weren't multiple units listed, were there?
- 24 A. No, there were not multiple units.
- 25 **Q.** Did you approve the loan for Wells Fargo Bank?

A. Yes, I did.

1

- Q. And if I can back up, can you tell the ladies and gentlemen
- 3 of the jury and explain, are things such as a family
- 4 | relationship or recent multiple liabilities or debts, are those
- 5 | important for your decision-making as an underwriter?
- 6 MR. KYPREOS: Objection to the form of the question.
- 7 It's multiple -- it's two components.
- 8 THE COURT: Overruled.
- 9 BY MR. GOLDBERG:
- 10 Q. Can you tell the ladies and gentlemen of the jury what's
- 11 | important when you're trying to approve a loan and if those
- 12 | things are important?
- 13 A. What's important is that the application be accurate and
- 14 | correct, and that we base our decision based on what the
- 15 | application provides.
- 16 Q. Could those things make a loan risky?
- 17 A. Absolutely.
- 18 Q. And you didn't have that information?
- 19 A. We did not have that additional information, no.
- 20 MR. GOLDBERG: If I may have the Court's indulgence?
- 21 That's all I have, Your Honor.
- 22 THE COURT: All right. Ladies and gentlemen, this
- 23 then is the time when the Defense attorney has the opportunity
- 24 of cross-examining the witness.
- 25 Mr. Kypreos?

## CROSS-EXAMINATION

2 BY MR. KYPREOS:

1

- 3 | Q. Good afternoon. My name is Spiro Kypreos, and I'm
- 4 representing Mr. Britton-Harr in this matter.
- 5 A. Good afternoon.
- 6 Q. And your last name is Woodbury?
- 7 **A.** Yes.
- 8 Q. Ms. Woodbury, how did this loan application come to Wells
- 9 Fargo?
- 10 A. Can you clarify the question?
- 11 Q. Right. Did somebody walk into Wells Fargo Bank in
- 12 Pensacola and say, "We want to make a loan," or did y'all get it
- 13 | from another mortgage company? How was this loan originated?
- 14 A. It's originated through what we call a home mortgage
- 15 | consultant.
- 16 Q. I'm sorry, what, ma'am?
- 17 A. A home mortgage consultant would take the application.
- 18 **Q.** Home mortgage consultant?
- 19 **A**. Uh-huh.
- 20 Q. And who is the home mortgage consultant in this case?
- 21 A. Gary Owens.
- 22 **Q.** Who?
- 23 A. Gary Owens.
- 24 Q. And where was he located at the time?
- 25 **A.** In our Amherst office.

Q. Amherst?

1.

- 2 A. New York.
- 3 Q. New York, okay. So when you say -- are you saying
- 4 | literally a loan application came to his desk?
- 5 | A. I would not have that information. I can go based on only
- 6 what the application states.
- 7 Q. Okay. Do you know whether or not the loan itself was
- 8 originated by a mortgage broker?
- 9 A. The loan with Wells Fargo Home Mortgage was originated by
- 10 | Wells Fargo Home Mortgage.
- 11 | Q. So it wasn't the case of another mortgage company asking
- 12 | Wells Fargo to do the transaction? A mortgage brokerage tried
- 13 | to obtain loans for real estate purchasers; is that correct?
- 14 A. So -- just so I can clarify that question, I work in the
- 15 | retail division, and we do not do loans with brokers.
- 16 Q. Okay. Do you know how Mr. Gary Owens was sitting in his
- 17 | office in New York and some day he receives a loan application?
- 18 Do you know who sent it to him?
- 19 MR. GOLDBERG: Objection. Calls for speculation.
- THE COURT: Objection is overruled to the question.
- 21 BY MR. KYPREOS:
- 22 Q. Do you know how it got to his desk, who sent it to him?
- 23 A. No, I would not know that.
- 24 Q. But you looked at the file, you said, right?
- A. Right, our application. I can tell you how the application A-61

- 1 | was marked. It was marked as a telephone ap.
- 2 | Q. Telephone ap, okay. Do you have your file for this
- 3 | transaction with you? Do you have that with you?
- 4 A. No, I don't have it with me right now, no.
- 5 | Q. Do y'all receive the Residential Sales Agreements for these
- 6 transactions?
- 7 A. Yes, we do.
- 8 Q. And did you review the Residential Sales Agreement as part
- 9 of your review of whether or not to make the loan?
- 10 A. Yes, I did.
- MR. KYPREOS: Your Honor, I don't know if we're going
- 12 | to do this electronically. I've got an extra copy I'm going to
- 13 | show the witness. I just put it right here?
- 14 THE COURT: Yes, sir.
- 15 MR. KYPREOS: I haven't dealt with this particular
- 16 | machine in a while. I assume it's on.
- 17 BY MR. KYPREOS:
- 18 Q. Can you see that, ma'am?
- 19 **A.** No. It's not legible. Can you increase the font size?
- 20 MR. KYPREOS: I'm afraid the copy we were provided is
- 21 | a poor copy. Your Honor, may I simply hand her a copy of this?
- THE COURT: You may, or you can use the zoom button.
- 23 BY MR. KYPREOS:
- 24 Q. Does that help any?
- 25 A. Yeah. So you'll have to move it around so I can --

- 1 Q. Yeah, I know. Okay, there's page one, ma'am, and then
- 2 | there's page two with some signatures on it. Can you see that?
- 3 **A.** Yes.
- 4 Q. Can you see that?
- 5 A. Yes, I can see that.
- 6 Q. Do you see a typed name there --
- 7 **A**. Yes.
- 8 Q. -- for the buyer and a typed name for the seller?
- 9 A. Correct.
- 10 Q. And then you see this other page with Standards for Real
- 11 | Estate Transactions?
- 12 A. What was that question? I'm sorry.
- 13 Q. Do you see the page entitled "Standards for Real Estate
- 14 | Transactions"?
- 15 **A.** Yes.
- 16 Q. I just want to make sure you can see this. And then
- 17 | there's an address there -- I'm showing you an address with
- 18 A19U?
- 19 **A.** Yes.
- 20 Q. And then there's a signature again dated June 27 of '06.
- 21 | Can you see that?
- 22 A. Can you move it to the top.
- 23 Q. Yeah. Do you see the date June 27?
- 24 A. I see the date, yes.
- Q. And can you see the signature there? A-63

- 1 **A**. Yes.
- 2 | Q. Again, can you see the date and the signatures on there?
- 3 **A.** Yes.
- 4 | Q. And can you see the typed names above?
- 5 **A.** The typed names above?
- 6 Q. It's at the very top of the page?
- 7 **A**. Yes.
- 8 Q. This is Addendum 1 we're looking at?
- 9 **A.** Yes.
- 10 Q. And then can you see Addendum 2 and the typed names at the
- 11 | top and the signatures and date at the bottom? You see those?
- 12 A. I can see it, yes.
- 13 Q. Well, I mean, do you see -- can you see the contents of the
- 14 document there as it's blown up? I'm trying to move it across
- 15 for you slowly.
- 16 A. I can see the sentence here, yes.
- 17 Q. Do you recognize this document as being a copy of the real
- 18 estate sales agreement by Karyn J. Britton for Unit A19?
- 19 **A.** Can you repeat the question?
- 20 Q. Yeah. Do you recognize that as being the Residential Sales
- 21 Agreement for A19, the one that was sent to y'all?
- 22 **A**. No, I do not.
- 23 Q. You don't recognize that?
- 24 A. That's not the one that was sent to me. That's not the one
- 25 | that I approved.

- **Q.** Where is the one that you approved?
- 2 A. It's in our file.
- 3 Q. Do you have it with you?
- 4 A. No, I do not have it with me.
- 5 MR. KYPREOS: That document, for the record, was
- 6 | marked -- I'd ask to be marked for identification as Defendant's
- 7 | Exhibit 5.1 that I was referring to just a minute ago, Your
- 8 Honor.

1

- 9 BY MR. KYPREOS:
- 10 Q. I'd like to show you a document marked for identification
- 11 only as Defendant's Exhibit 5.2. Hopefully since this one is
- 12 | typed it would be easier for you, more legible.
- 13 MR. KYPREOS: Your Honor, if I may, I'd like to
- 14 | approach because the print on these things are so small it's
- 15 | hard to --
- 16 THE COURT: Well, you're not going to be able to stand
- 17 | up there the whole time. So if you've got a copy to provide
- 18 her, that will be fine.
- 19 BY MR. KYPREOS:
- 20 Q. I'd like to show you what's been marked for identification
- 21 | as Defendant's Exhibit 5.2. Do you recognize that as being a
- 22 | copy of the Uniform Residential Loan Application that was
- 23 | submitted to Wells Fargo in reference to Unit A19U?
- 24 **A**. Yes.
- 25 Q. Thank you.

- 1 MR. KYPREOS: If we may, Your Honor, I'd like to move
- 2 Defendant's Exhibit 5.2 into evidence.
- 3 MR. GOLDBERG: Can I see it?
- 4 MR. KYPREOS: Yeah, sure.
- 5 MR. GOLDBERG: No objection, Your Honor.
- 6 THE COURT: It's admitted.
- 7 (Defendant's Exhibit 5.2 admitted into evidence.)
- 8 BY MR. KYPREOS:
- 9 Q. Now, ma'am, does -- with respect to Defendant's Exhibit
- 10 | 5.2, the Uniform Residential Loan Application, is that a Wells
- 11 | Fargo loan application form or is that just something used
- 12 | generally in the industry or what?
- 13 **A.** It's generally used in the industry.
- 14 Q. Okay. And does the form anywhere ask if a Realtor is
- 15 related to a buyer or seller?
- 16 A. It does not.
- 17 Q. Did you ever ask anybody in this transaction if they were
- 18 related?
- 19 **A**. No, I did not.
- 20 Q. Now, was this particular transaction what's referred to in
- 21 | the industry as a no documents loan?
- 22 A. Yes, it was considered what we called an Alt-A loan,
- 23 correct.
- 24 | Q. I'm sorry, considered a what, ma'am?
- 25 A. An Alt-A loan.

- Q. An off A loan?
- 2 **A.** Alt, A-L-T.

1

- 3 Q. Okay, thank you. Sorry about that. Can you explain to the
- 4 | jury what a no documents loan basically is? What's the contrast
- 5 between a loan that is documented and what y'all refer to as a
- 6 no document loan?
- 7 | A. The difference would be the income and the asset
- 8 documentation. So a no doc program is we don't verify income
- 9 and we don't verify the assets.
- 10 **Q.** And you don't verify the assets?
- 11 A. We don't verify liquid assets, correct.
- 12 Q. Okay. And a no document loan is a loan usually based on
- 13 | the person's credit rating?
- 14 A. You probably want to be a little bit clearer with that
- 15 | question. What do you mean by based on a credit rating?
- 16 Q. For example, a no documents loan, could somebody apply for
- 17 | a loan without even stating what their income is?
- 18 | A. Right, a no doc would -- we would not verify your income,
- 19 | correct.
- 20 | Q. Right. So you don't care when the loan application comes
- 21 in whether it has income information or doesn't have income
- 22 information because it's a no documents loan?
- 23 A. Right. So that would be correct, if it comes in with no
- 24 | income loan, it doesn't necessarily mean you put --
- Q. Right. So if somebody gave you a loan application on a no A-67

- 1 documents loan transaction, if there's no information of the
- 2 | borrower's income, that's no concern to you?
- 3 | A. For this particular program it was not a concern.
- 4 Q. Right. And that wouldn't have been a concern with respect
- 5 to A19U whether there was income stated or not?
- 6 A. Not for this program, correct.
- 7 Q. Not for this program. Would the person's assets or lack of
- 8 assets be a concern in a no document loan?
- 9 A. So if you could clarify your question, when you mean
- 10 | assets, are you saying -- what type of assets are you --
- 11 Q. Right. Are the type of assets of a person of any concern
- 12 | to Wells Fargo and in the industry in a no documents loan
- 13 | transaction?
- 14 **A.** To a certain degree, yes.
- 15 **Q.** To what degree?
- 16 | A. If it's residential properties that are owned and those
- 17 | funds that are being used are required for the sale.
- 18 Q. For what? I'm sorry.
- 19 **A.** If the assets from the sale of a property are being used,
- 20 | we would ask for documentation that that existed.
- 21 Q. If they're being used?
- 22 A. Correct.
- 23 Q. If they're an investment do you ask for any documentation?
- 24 If the assets is an investment, just an investment in, say,
- 25 | another condominium, is that something you're concerned about?

- 1 A. Okay, your question is not clear at all.
- 2 | Q. If the borrower makes a loan application and indicates as
- 3 one of their assets that they own a condominium, okay, is that
- 4 of any concern to Wells Fargo?
- 5 A. Yes, that would be of a concern to Wells Fargo as far as
- 6 qualifying the customer.
- 7 Q. Okay. So if the customer owned, let's say, Unit A7U at
- 8 | Purple Parrot, would you want documentation as to that
- 9 | condominium?
- 10 A. Yes. And in this particular case I asked for
- 11 documentation.
- 12 Q. And did you get documentation for A7U?
- 13 **A.** The request was that proof that the mortgages on that
- 14 | particular property were being paid off.
- 15 \ Q. Okay. Now, if you would, please look at page 2 of
- 16 Defendant's Exhibit 5.2, the loan application for A19U. There's
- 17 | no indication at the very top of the page on the part for
- 18 | monthly income as to what Karyn Britton's income was, correct?
- 19 A. That is correct.
- 20 Q. Okay. And you didn't ask to get that information because
- 21 | you didn't need it?
- 22 **A.** This particular program does not require that.
- 23 Q. Now, if you go on to page 3, okay -- and I may have to
- 24 | correct myself from something I said earlier -- no, that's
- 25 right. Let me ask you this, because I'm not trying to trick you A-69

- 1 here: This particular application, if you go to the last page
- 2 | -- or excuse me. On page 3, if you go to the bottom, it's
- 3 | signed by Gary Owens; is that correct?
- 4 A. Correct.
- 5 Q. And it's dated July 25th of 2006; is that correct? To the
- 6 right of Gary Owens --
- 7 **A.** I believe that says 7/25/06.
- 8 **Q.** '06, right?
- 9 **A**. Yes.
- 10 Q. And then off to the left over there of his signature, do
- 11 | you see telephone?
- 12 A. Correct.
- 13 MR. KYPREOS: Your Honor, may we publish this?
- 14 THE COURT: Your wish.
- MR. KYPREOS: Thank you, Your Honor.
- 16 BY MR. KYPREOS:
- 17 Q. You see the checkmark for telephone that's checked, right?
- 18 **A.** Yes.
- 19 Q. And then that's Gary Owens' signature there; is that
- 20 | correct?
- 21 A. That's correct.
- 22 Q. Okay. Now, what is that signifying to you in terms of your
- 23 | internal recordkeeping? When you see Gary Owens' signature on
- 24 | this document and you see telephone checked, what does that tell
- 25 you?

- 1 | A. It tells me as an underwriter that the application was
- 2 | taken via telephone and Gary was the HMC on the loan.
- 3 Q. That the application was taken --
- 4 A. Via telephone.
- 5 | Q. Is there any indication on the application where he took
- 6 | the -- who he took the application from?
- 7 | A. Only based on the application that I have, it would be from
- 8 Karyn Britton.
- 9 | Q. And you would assume that because going back to page 1 of
- 10 | the exhibit, her name appears as the borrower; is that correct?
- 11 A. That's correct.
- 12 Q. So just based on the document alone, you would assume that
- 13 | he had contact with Karyn Britton; is that correct?
- 14 | A. She's the only applicant on this loan, correct.
- 15 Q. Okay. Now, what if a borrower has their attorney call up
- 16 | to make the loan application, what does Wells Fargo do then?
- 17 | A. Because I'm an underwriter and not an HMC, I can't really
- 18 | tell you how a loan is originated except when it gets to me. So
- 19 | what I base my decision on is what an application states once it
- 20 reaches my desk.
- 21  $\mathbf{Q}$ . Now, this particular exhibit is not signed by the borrower
- 22 or any agent of the borrower, correct?
- 23 | A. Correct, telephone applications are sent to the borrower
- 24 | after the fact to sign and verify.
- 25 Q. So this is basically -- this was truly just an application; A-71

- 1 | it wasn't used to -- at a closing -- there's no closing date --
- 2 | there's no signature by the borrower on this?
- 3 A. You won't get a closing date on an application.
- 4 Q. You won't what?
- 5 A. You won't get a closing date on an application.
- 6 Q. Right. Now, in this process, if you know --
- 7 MR. KYPREOS: If I may approach again, Your Honor?
- 8 THE COURT: If necessary.
- 9 BY MR. KYPREOS:
- 10 | Q. I'd like to ask you if you recognize this as being a copy
- 11 of a loan application dated -- as being signed by Karyn S.
- 12 | Britton by Todd -- looks like POA. I'll let you decipher that.
- 13 And I'd ask you if you recognize Defendant's Exhibit 5.6 as
- 14 | being an application that was ultimately signed on behalf of the
- 15 | borrower and dated August 14th, 2006?
- 16 A. Yes, this would be the final application that's signed at
- 17 | the closing table.
- 18 | Q. And was August -- you keep that copy. It might be easier
- 19 than using the machine. That was signed August 14th, 2006, next
- 20 to the borrower's signature line; is that correct?
- 21 A. That's correct.
- 22 Q. Okay. Now, if you would --
- MR. KYPREOS: Well, Your Honor, first I guess I should
- 24 | move this into evidence. I'd like to move Defense Exhibit 5.6
- 25 | into evidence, Your Honor.

- MR. GOLDBERG: No objection.

  THE COURT: It's admitted.
- 3 (Defendant's Exhibit 5.6 admitted into evidence.)
- 4 BY MR. KYPREOS:
- 5 Q. On page 3 of Defendant's Exhibit --
- 6 MR. KYPREOS: If I may publish, Your Honor?
- 7 BY MR. KYPREOS:
- 8 Q. You can look at the screen if you desire or the copy that
- 9 | you have or whatever your pleasure is, ma'am. At the very top
- 10 | we see Schedule of Real Estate Owned; is that correct?
- 11 A. That's correct.
- 12 Q. And the address we see for the property is what, 1355 (sic)
- 13 | Perdido Key, Unit A-blank, no number; is that correct?
- 14 A. Yeah, that's what we see here.
- 15 Q. And then we see another line, same thing, right underneath
- 16 | that, 13555 Perdido Key, Unit A?
- 17 A. That's correct.
- 18 | Q. And then something that says "See attached"?
- 19 **A.** Uh-huh.
- 20 | Q. Okay. Now, going back to Defendant's Exhibit 5.2 on the
- 21 | same page and the same part of the form, we see in one part 5709
- 22 | 36th Street West, Bradenton, Florida, 34210, right?
- 23 A. That's correct.
- 24 Q. And then we see 13555 Perdido Key, Unit A7U, Pensacola,
- 25 | Florida 32507?

- 1 **A**. Yes.
- 2 Q. Ma'am, do you know whether or not Unit A7U, in fact, was
- 3 | not owned by Ms. Karyn Britton on that date?
- 4 A. What date?
- 5 Q. August 14th, the day of the closing -- I'm sorry, jumping
- 6 | ahead -- August 14th, 2006.
- 7 **A.** Do I know for a fact that --
- 8 Q. Do you know whether or not she even actually owned that
- 9 property that date?
- 10 | A. On that date that property was supposedly to be sold.
- 11 According to our application -- as you see here where it says
- 12 | "PS," that means it was pending sale. And when I underwrote the
- 13 | file, I conditioned that those mortgages be paid off because
- 14 | that property was being sold.
- 15 Q. Well, this particular exhibit we're again back to the
- 16 | application that wasn't signed on August 14th. This exhibit is
- 17 | the one that's signed on July 25th where Gary Owens makes the
- 18 | application, right?
- 19 **A.** The initial application, correct.
- 20 Q. The initial application, okay. And then you're showing
- 21 | that as pending sale of A7U?
- 22 A. That's correct.
- 23 Q. That was your understanding at the time, right?
- 24 A. Yes.
- 25 Q. Now, going back to Exhibit 5.6, if we look at the numbers

- 1 | for the market value and for the mortgage and for the monthly
- 2 | mortgage payments, okay, that's on the August 14th document. I
- 3 | want to make that clear, August 14th. We see the 300,000 and
- 4 | the rest of the figures, right?
- 5 A. Correct.
- 6 Q. And then if we take Defendant's Exhibit 5.2, which is the
- 7 July 25th, '06, application, we see a set of numbers there as
- 8 | well; is that correct?
- 9 **A.** For which property?
- 10 | Q. We see the figures for the Bradenton property and we see
- 11 | the figures for the -- I'm sorry -- A7U, right?
- 12 A. Correct.
- 13 Q. So basically when we go back to Defendant's Exhibit 5.6 and
- 14 | we see the two at 13555 Perdido Key, Unit A, those numbers that
- 15 we see in that form really aren't from two units at Perdido Key
- 16 | out at the Purple Parrot?
- 17 **A**. Right.
- 18 Q. One set of figures would be for the Bradenton home; is that
- 19 | correct?
- 20 A. That's correct.
- 21 **Q.** And would the Bradenton home be the \$196,878?
- 22 **A.** Yes.
- 23 Q. And then for the other figure up there it would be for the
- 24 Unit A7U?
- 25 **A.** When you say "other figure" what figure are you A-75

- Q. I'm sorry. Very good. \$223,472.
- $2 \mid \mathbf{A}$ . So both the figures, the \$223,472 and the 137 belong to A7U
- 3 | unit?

1

- 4 | Q. A7U. But A7U isn't designated in the address box, is it?
- 5 A. It's designated on the "See Attached" portion.
- 6 Q. But it's not designated on that part?
- 7 A. Not on this part.
- 8 Q. Then there's an attached portion, right?
- 9 A. Correct.
- 10 Q. Is this part the attached part you're referring to? Please
- 11 look at your copy.
- 12 A. That is not the attached piece.
- 13 Q. Oh, it's not the attached piece?
- 14 A. The attached piece is the additional --
- 15 Q. I'm sorry, what's the attached piece?
- 16 | A. It's the real estate owned section.
- 17 Q. Would that be the previous page?
- 18 A. I don't see the page here.
- 19 Q. I don't either. I haven't seen a copy of it in the
- 20 documents that's been provided --
- 21 MR. GOLDBERG: Objection.
- 22 THE COURT: Sustained.
- 23 MR. GOLDBERG: It has, and it's an exhibit that will
- 24 be entered by the Government.
- MR. KYPREOS: Okay, fine.

<u> A-76</u>

# BY MR. KYPREOS:

- 2 Q. But you're telling me then that we'll see an attached page
- 3 | that shows what? I'm sorry.
- 4 | A. It shows the real estate owned section for all the
- 5 | properties listed under that section. And if I can just
- 6 explain?

1

- 7 **Q.** Sure.
- 8 A. Why it doesn't show there is because we have a printing
- 9 limit to the number of characters.
- 10 **Q**. Oh, I see.
- 11 | A. So the landscape section would show the correct address
- 12 | with the dollar amounts as you see here.
- 13 Q. Do you know if that -- do you have a copy of the
- 14 | application that was actually, other than this, that would have
- 15 | the attachments, do you have that?
- 16 A. I don't have anything here with me right now.
- 17 Q. Now, going back to Defendant's Exhibit 5.6 which is the one
- 18 dated August 14th, 2006, do you see MortgageIT and you see "See
- 19 Attached" and you see \$223,472?
- 20 **A**. Yes.
- 21 **O.** Is that also A7U?
- 22 **A.** That's the mortgage attached to A7U.
- 23 Q. Is that the attachment you referred to before or was it a
- 24 | different attachment?
- 25 A. It's all on the same attached.

- 1 Q. Now, the loan application is apparently -- that we've been
- 2 | looking at the Defendant's Exhibit 5.6 -- is dated the same date
- 3 as the closing, right?
- 4 A. Correct.
- 5 Q. Now, the loan application process itself had actually
- 6 | commenced before that; is that correct?
- 7 A. That's correct.
- 8 Q. When y'all take a telephone application like that, do y'all
- 9 do anything to verify who it is that's really calling in and
- 10 | making sure they are who they say they are?
- 11 A. Now, when you say "they," who are you referring to?
- 12 Q. In this case, Karyn Britton. You say Gary Owens made a
- 13 | telephone contact and you assumed it was with Karyn Britton
- 14 | because her name is on the application. Is there -- is there
- 15 any requirement that the person, you know, write a letter or do
- 16 | anything to confirm that they're the ones making the
- 17 | application?
- 18 A. The application itself states on it that you agree that
- 19 | this is accurate information that's been given. Now, as an HMC,
- 20 | Gary Owens, I can't speak to what he does as his job. Again,
- 21 I'm an underwriting manager and underwrote this file.
- As an underwriter, we're required to follow the CIP program
- 23 guidelines which verify that the person that took the
- 24 | application is actually the person that made the application.
- 25 Q. Now, with respect to the July 25th, '06, document we looked

- 1 at in Defendant's Exhibit 5.2, it's all nice and neatly typed
- 2 up, right?
- 3 A. I'm sorry, which application is this?
- 4 Q. This is the July 25th, '06 one.
- 5 A. Correct.
- 6 Q. It's all typed up, right?
- 7 **A**. Yes.
- 8 Q. Who typed that up?
- 9 A. It comes off of a system, an application on the web.
- 10 Q. Application on the web?
- 11 | A. Correct. It's called AOW, which is our system that we use.
- 12 \ Q. How does that work? Does the borrower go to the web and --
- 13 **A.** No. It's an internal -- it's an application system for our
- 14 | loan officers, HMC.
- 15 Q. Oh, I see. So that was prepared physically by Wells Fargo,
- 16 | this typed-up form?
- 17 A. Correct.
- 18 Q. Did Gary Owens prepare it or you prepare it?
- 19 A. The HMC would prepare it as he's taking the application.
- 20 Q. Do you know where this information came from in Defendant's
- 21 Exhibit 5.6?
- 22 **A.** Do I know where it came from?
- 23 Q. Yeah. Where did Wells Fargo get the information to put in
- 24 | the system and type it up? Where did that come from?
- 25 **A.** It would come from whoever phoned the application in. My A-79

- 1 decision would be based on that this particular person on the
- 2 | application as the applicant would have given that information
- 3 to the HMC.
- 4 Q. So it would be Karyn Britton?
- 5 A. Yes, the applicant.
- 6 | Q. Now, is the information that's in Defendant's Exhibit 5.6
- 7 | -- the one that was signed on the date of the closing -- was
- 8 | that essentially going back to the computer and taking what was
- 9 there and basically just reformatting it so it could be signed
- 10 on August 14th, 2006?
- 11 | A. Okay, so -- I'm sorry, but your question was not clear at
- 12 all.
- 13 Q. That's okay. Bad habit I've got. Here we go. Let's try
- 14 | this: In other words, y'all got this Exhibit 5.2 and y'all had
- 15 | all the information you got that time, right, back on July -- we
- 16 | know it's there at least as of July 26th '06, right?
- 17 A. Correct, that information is on the application, correct.
- 18 Q. So that information is now in your computer? It's there?
- 19 You've received it, right?
- 20 A. Correct.
- 21 Q. So basically when you then prepare the 5.6 exhibit
- 22 document, the one that's dated August 14th, 2006, are y'all
- 23 | basically just going to your computer and printing out what's
- 24 | already there?
- 25 A. So that's not actually accurate.

- 1 | Q. Well, that's what I'm trying to get clarified.
- 2 A. Okay. So 5.2, which is the initial application as taken by
- 3 | the loan officer, it's the initial application. The process
- 4 involves verifying the information. Once the information is
- 5 | verified, that application is then sent to the closing table for
- 6 | the applicant to sign it to state that everything on it is
- 7 accurate and true.
- 8 So what happens here is, the HMC on 5.2 gives us the
- 9 information as stated by the applicant; we confirm and verify
- 10 | that information on 5.6. So in other words, the credit report
- 11 | would give us the accurate balances and whatnot.
- 12 Q. Okay. Well, essentially, have you compared the two
- 13 | documents? Have you compared these two documents, by any
- 14 | chance, for their content?
- 15 **A.** Compared the two documents for their content?
- 16 Q. Yeah, compared the loan -- the July 25th, '06
- 17 | information -- do you know whether or not the information of
- 18 July 25th, '06, is essentially what's also included in the
- 19 August 14th, '06?
- 20 A. Do you want me to take a look and tell you that now?
- 21 **Q**. Yeah.
- 22 **A.** Everything seems to be in line except the missing
- 23 | attachment page.
- Q. Just those pesky unit numbers, right? Everything is pretty
- 25 much the same except we don't have that attachment showing the A-81

- 1 | correct unit number?
- 2 A. In this document you handed me, correct.
- 3 | Q. Right. But as far as the data is concerned, the meat of
- 4 | it, it's essentially the same?
- 5 A. Correct.
- 6 Q. Okay. Now, going back to the July 25th, '06, Defendant's
- 7 Exhibit 5.2 application, the one Mr. Owens took the telephone
- 8 application, it's kind of hard to see but there's a section
- 9 | there that says "Property will be" -- and then check a box; is
- 10 | that correct?
- 11 A. That's correct.
- 12 | Q. And the one that's checked is "primary residence," right?
- 13 A. That's correct.
- 14 Q. And so that would have come from Karyn Britton in making
- 15 | the application, based on your understanding of this document?
- 16 MR. GOLDBERG: Objection, calls for speculation.
- 17 **THE COURT:** Sustained.
- MR. KYPREOS: I didn't say she did. I said her
- 19 understanding of the document.
- 20 **THE COURT:** Sustained.
- 21 MR. KYPREOS: Yes, sir.
- 22 BY MR. KYPREOS:
- 23 Q. But anyway, "prime residence" was checked there, right?
- 24 A. Yes, "primary residence" is checked there.
- 25 Q. I'd like to show you what's been marked for identification

- 1 as Defendant's Exhibit 5.3, ma'am. Do you, by any chance,
- 2 | recognize that document as being an item pertaining to Wells
- 3 | Fargo and Ms. Britton? Do you recognize that document?
- 4 A. No, I don't recognize this document. It's the credit score
- 5 document. I mean, I recognize it as a formal form.
- 6 Q. Okay. Do you recognize it as a Wells Fargo form letter
- 7 | regarding credit, a borrower's credit status? Is it a form
- 8 | letter that Wells Fargo sends out to creditors with regard to
- 9 | information that's obtained regarding the borrower's credit
- 10 | status? Do you recognize it as that?
- 11 A. So your question is credit status? What do you mean by
- 12 | that?
- 13 Q. Regarding the person's credit score, is it a standard --
- 14 A. Right. By law they are required to be given their credit
- 15 score.
- 16 Q. Exactly. And that's a form letter that y'all send out to
- 17 | the borrower letting them know what their credit score was on a
- 18 | particular day?
- 19 **A.** Yes.
- 20 **Q.** So you do recognize this as being a form letter that Wells
- 21 | Fargo sends out of that nature?
- 22 A. Yes, it's a credit score notification.
- 23 Q. Okay, thank you.
- MR. KYPREOS: Your Honor, I'd like to move Defendant's
- 25 Exhibit 5.3 into evidence.

- 1 MR. GOLDBERG: No objection, Your Honor.
- 2 **THE COURT:** It's admitted.
- 3 (Defendant's Exhibit 5.3 admitted into evidence.)
- 4 BY MR. KYPREOS:
- 5 | Q. Now, the date of this letter is July 25th, 2006; is that
- 6 | correct?
- 7 A. Yes, that's what this says.
- 8 Q. And it was addressed to whom?
- 9 A. Karyn J. Britton.
- 10 | Q. 5709 36th Street West, Bradenton, correct?
- 11 **A**. Yes.
- 12 Q. And it basically was letting her know what her credit score
- 13 | was; is that correct?
- 14 A. Yes, that's correct.
- 15 Q. Now, this was obviously before August 14th -- Defendant's
- 16 | Exhibit 5.3, this letter, was obviously written before August
- 17 | 14th, 2006, correct?
- 18 A. Yes. It's part of the initial application process.
- 19 Q. Okay. And why do you send that to the borrower? Why do
- 20 | you send this form letter to them? I believe you mentioned it
- 21 | earlier.
- 22 **A.** There are several disclosures that have to go out to the
- 23 | borrower within a certain amount of time of the application
- 24 being taken. So it's a compliant document for credit reporting
- 25 purposes.

- Q. Would Wells Fargo also have received an appraisal pertaining to this unit before approving a loan?
- 3 | A. Yes, we would have an appraisal before approving a loan.
- 4 Q. You're not -- Wells Fargo is not involved in distributing
- 5 closing documents after the closing, are they, as far as sending
- 6 documents to the borrower? Let me put it this way to you:
- 7 | After the closing is completed, what, if anything, do y'all send
- 8 to the borrower?
- 9 A. "Y'all" would be who?
- 10 **Q.** Wells Fargo.
- 11 **A.** Which entity?
- 12 Q. Do y'all send a notice -- a book as to how much payment
- 13 | they're going to have to make? What do you send to the
- 14 | borrower, if anything, after the closing is completed and
- 15 | they've signed the necessary documents and the mortgage is in
- 16 effect?
- 17 | A. Again, I can only speak to the underwriting part of the
- 18 loan because that would happen after closing, which is
- 19 | considered post-closing; completely different department.
- MR. KYPREOS: Thank you very much, ma'am. I
- 21 appreciate it. May I have just one minute, Your Honor? No
- 22 | further questions, Your Honor.
- THE COURT: All right. Ladies and gentlemen, the side
- 24 | calling the witness has opportunity for redirect examination.
- 25 Mr. Goldberg?

## REDIRECT EXAMINATION

2 BY MR. GOLDBERG:

1

- 3 Q. Good afternoon again, ma'am.
- 4 A. Good afternoon.
- 5 Q. You have the three Defendant's exhibits in front of you --
- 6 5.2, 5.3, and 5.6?
- 7 **A.** Yes.
- 8 Q. All right. Let's go in numerical order. Take your time
- 9 and flip through Defendant's Exhibit 5.2 and tell the ladies and
- 10 gentlemen of the jury if on any of those pages you see the
- 11 | signature of Karyn Britton.
- 12 **A.** So 5.2?
- 13 **Q**. Yes, ma'am.
- 14 A. I don't see a signature of Karyn Britton.
- 15 Q. Thank you. On Defendant's Exhibit 5.3, please look through
- 16 | those pages and tell the ladies and gentlemen of the jury if you
- 17 | see the signature of Karyn Britton.
- 18 A. No, 5.3 does not have the signature of Karyn Britton.
- 19 Q. Let's look at Defendant's Exhibit 5.6. Look through all
- 20 the pages in that document and tell me if you see the signature
- 21 of Karyn Britton or whether you see a signature that says Karyn
- 22 J. Britton by Todd Britton?
- 23 **A.** On 5.6 I see only a signature for Karyn J. Britton by Todd
- 24 Britton.
- 25 Q. And that's what it says on the front page and again on the

1	last page, does it not?
2	A. It's on page 1, page 3, and page 4.
3	Q. Karyn J. Britton by Todd Britton?
4	A. That is correct.
5	Q. And you didn't speak to Karyn Britton, did you?
6	A. No, I did not speak to Karyn Britton.
7	MR. GOLDBERG: I have no nothing further, Your Honor.
8	THE COURT: You may step down.
9	(Witness excused.)
10	THE COURT: And your next witness?
11	MR. GOLDBERG: Your Honor, the Government would call
12	Doug Thomas.
13	DOUGLAS THOMAS, GOVERNMENT WITNESS, DULY SWORN
14	THE CLERK: Be seated. State your full name and spell
15	your last name.
16	THE WITNESS: Douglas Thomas, T-H-O-M-A-S.
17	THE COURT: All right, Mr. Goldberg.
18	DIRECT EXAMINATION
19	BY MR. GOLDBERG:
20	Q. Mr. Thomas, good afternoon.
21	A. Good afternoon.
22	Q. What is your occupation, sir?
23	A. I am a special investigations unit investigator.
24	Q. With whom?
25	A. Radian Guaranty. A-87

- 1 Q. And what is Radian Guaranty?
- 2 A. It's a mortgage insurance company.
- 3 | Q. And how long have you been with Radian?
- 4 A. Four years.
- 5 | Q. Could you explain please to the ladies and gentlemen of the
- 6 | jury what a mortgage insurance in underwriting review is and
- 7 | what it does?
- 8 A. Mortgage insurance is insurance that lenders get on loans
- 9 | in case of default. If the loan goes to default, they will file
- 10 | a claim and the insurance would pay a claim payment. What we do
- 11 | in the investigations unit is to review the loan documents prior
- 12 | to paying a claim for any underwriting negligence or
- 13 | misrepresentation on the loan.
- 14 | Q. And were you asked to conduct a review on Purple Parrot
- 15 | Village Unit A19U loan by Wells Fargo Bank?
- 16 A. Yes, I was.
- 17 Q. And that was after the fact, correct, in 2008?
- 18 A. Correct.
- 19 | Q. And generally speaking, what did you see during the course
- 20 of your investigation?
- 21 A. I noticed three issues. There was occupancy
- 22 | misrepresentation; a non-arm's length transaction, which is with
- 23 | individuals who are maybe related within the loan; and some
- 24 undisclosed debt.
- 25 | Q. All right. Well, let's talk about the non-arm's length

- 1 | transaction. Is that when parties may be related?
- 2 A. Correct.
- 3 Q. And is what's the --
- 4 MR. KYPREOS: Objection, Your Honor, relevance.
- 5 THE COURT: Objection is overruled.
- 6 BY MR. GOLDBERG:
- 7 Q. What's the relevance of that? Why is that -- why can that
- 8 be a problem?
- 9 A. It draws up a red flag that there are people who are
- 10 | related to each other within a loan or an entity, a business
- 11 | that may be within the loan. It's typically not in mortgage
- 12 | lenders. Typically they're arm's length transactions, typically
- 13 unrelated parties and people who normally aren't related to each
- 14 other.
- 15 Q. And in this transaction did the parties, that being the
- 16 | borrower and the Realtor, both receive funds out of the
- 17 | transaction?
- 18 A. Correct.
- 19 Q. Now, you said an occupancy misrepresentation. Please tell
- 20 | the ladies and gentlemen of the jury regarding Unit A19U what
- 21 you saw.
- 22 A. The borrower was supposed to occupy the subject property,
- 23 and through my investigation I found that she did not --
- 24 MR. KYPREOS: Objection, Your Honor, hearsay.
- 25 **THE COURT:** Objection is overruled.

### BY MR. GOLDBERG:

1

- 2 **Q.** What did you learn pursuant to your investigation?
- 3 | A. That she actually stayed at her -- the house that she was
- 4 | living at the time that she applied for the loan.
- 5 Q. All right. And the third issue, I think you said, was a
- 6 failure to disclose liabilities. Could you explain what you saw
- 7 to the jury.
- 8 A. There were two mortgages that were opened just prior to the
- 9 transaction but were not on the original credit report but I
- 10 | found them on an audit credit report.
- 11 Q. And were they open -- were all three loans opened within 14
- 12 days or so?
- 13 **A.** Yes, within about two weeks of each other.
- 14 Q. Can you recall, if you add up the totals of the two prior
- 15 | loans, approximately how much it was?
- 16 **A**. One was \$420,000 and the other, I believe, was \$261,000.
- 17 **Q.** So just over \$681,000?
- 18 A. Correct.
- 19 **Q.** And that wasn't disclosed?
- 20 A. No, it was not.
- 21 MR. GOLDBERG: If I may have the Court's indulgence
- 22 for one moment?
- 23 BY MR. GOLDBERG:
- 24 Q. Why is it important for mortgage insurers to have accurate
- 25 | information on these documents?

1 MR. KYPREOS: Objection, Your Honor, opinion, 2 relevance. 3 THE COURT: Objection is overruled. THE WITNESS: It's important to have the facts so that 4 we are insuring a loan that we normally would insure. If there 5 are any types of issues that would injure us if we would have 6 '7 insured the loan at origination -- we wouldn't have put our 8 insurance on the loan if we knew some of the facts. 0 BY MR. GOLDBERG: 10 Is that a risk issue? Q. 11 Α. Oh, yes. 12 Based on your investigation, if you have three loans so 13 close together within a 14-day period, are those prior loans 14 going to pop up on credit checks? 15 No. The credit report would not show them that quickly. Α. 16 Once you completed your investigation review, what happened 17 to your findings? Were they forwarded somewhere? 18 Yes. I sent my findings to Wells Fargo, the lender. 19 And it eventually goes to law enforcement? 20 Α. Correct. 21 MR. GOLDBERG: That's all I have, Your Honor. 22 THE COURT: Mr. Kypreos? 23 CROSS-EXAMINATION BY MR. KYPREOS: 24

A-91

As I understand it, you were saying that if one closing on

Q.

- 1 | B10 occurred on July 31st of 2006 and then the C46 closing
- 2 | occurred on August 3rd, 2006, it may not show up in a credit
- 3 | search by August 14th?
- 4 A. No. Typically it takes longer than that.
- 5 | Q. But the keyword here you're saying is "typically," right?
- 6 A. I would say always.
- 7 Q. Always? Never would show up?
- 8 A. It may but I would highly doubt it.
- 9 Q. Okay. Well, do you even know if a -- if Wells Fargo in
- 10 | this instance even did a credit search to find out what
- 11 | properties Ms. Britton owned?
- 12 MR. GOLDBERG: Objection, improper witness. This
- 13 | isn't Wells Fargo.
- 14 **THE COURT:** Objection sustained.
- 15 BY MR. KYPREOS:
- 16 Q. Okay. Well, did you, in the course of your investigation,
- 17 | find such information?
- 18 **A.** That she had opened up other loans?
- 19 **Q.** That they had done such a credit check?
- 20 A. Well, yes. There was an original credit report in the
- 21 file.
- 22 **Q.** But did that go to properties or just like credit cards?
- 23 A. Properties and credit cards and installment debt.
- 24 Q. Okay. So with respect to those transactions, did you find
- 25 | any credit report reflecting those transactions?

1	A. My audit credit report two or three years later.
2	Q. Two or three years later? That was what, about, '08?
3	A. Correct.
4	Q. With respect to this matter of relatives being involved in
5	transactions, okay, would you agree that if the mortgage lender
6	wants that information they can simply ask for it?
7	MR. GOLDBERG: Objection. This isn't the mortgage
8	lender.
9	THE COURT: Sustained.
10	MR. KYPREOS: No further questions.
11	THE COURT: Redirect?
12	MR. GOLDBERG: It's not necessary.
13	THE COURT: You may step down.
14	(Witness excused.)
15	THE COURT: Your next witness?
16	MR. GOLDBERG: Your Honor, the Government would call
17	Ms. Melody Barnard.
18	MELODY BARNARD, GOVERNMENT WITNESS, DULY SWORN
19	THE CLERK: Be seated. State your full name and spell
20	your last name.
21	THE WITNESS: Melody Barnard, B-A-R-N-A-R-D.
22	THE COURT: All right, Mr. Goldberg.
