Re: Louie M. Schexnayder, Jr., v. Darrel Vannoy, Warden
U.S.S.C. No. 18-8341

Dear Mr. Bickell:

This is to confirm my conversation with your office in which I requested a 30 day extension to file my brief in opposition. This would make my brief due by June 10, 2019. Petitioner is proceeding pro se. Counsel for amicus has no opposition to this request.

As required by this Court's Rule 30.4, this request is necessary due to other matters for which the undersigned is responsible as the supervisor for the workload of six appellate attorneys of the appellate division of the district attorney's office, continual administrative duties as well as the undersigned's own docket. Further, the application herein will require sufficient time to research and prepare the required brief in opposition. This extension should not result in any delay of this court's disposition of this application.

Thanking you for your courtesies, I am.

Very truly yours,

Terry M. Boudreaux
Assistant District Attorney

C: Louie Schexnayder
