Re: No. 19-1078, *AT&T Mobility LLC v. McArdle*

Dear Mr. Bickell:

I am counsel for the respondent in this case. On March 3, 2020, a certiorari petition was docketed in this case. Unless extended by the Court, the response would be due on April 2, 2020. For the reasons that follow, and pursuant to Rule 30.4, I respectfully request an extension of 22 days, to and including April 24, 2020.

An extension is necessary because I have a number of obligations in coming weeks, including the filing of a merits amicus brief in this Court, an opposition/cross-motion for summary judgment in a federal district court, and another response to a petition for certiorari in a case presenting an issue relating to this one that will require me to coordinate with multiple cocounsel. The ongoing public health crisis further complicates such coordination. An extension will allow me to meet my obligations and to file a response that adequately addresses the points raised in the petition.

For these reasons, I respectfully ask that a 22-day extension be granted. Thank you for your attention to this matter.

Sincerely yours,

Scott L. Nelson
Counsel for Respondent Steven McArdle
