RE: *Federal Communications Commission v. Prometheus Radio Project*, No. 19-1231
National Association of Broadcasters v. Prometheus Radio Project, No. 19-1241

Dear Mr. Harris;

I represent the following Respondent-Intervenors in the above-referenced Petitions for Certiorari: Benton Institute for Broadband & Society, National Hispanic Media Coalition, National Organization for Women Foundation, Media Alliance and Media Counsel Hawai'i.

The Brief in Opposition for the 19-1231 Petition was originally due on May 20, 2020.

The Brief in Opposition for the 19-1241 Petition was originally due on May 22, 2020.

By Orders dated May 6, 2020, this Court granted Respondents' request to extend the time for filing their Brief in Opposition in No. 19-1231 and 19-1241 through and including July 21, 2020.

My clients anticipate that they would file one brief in opposition in response to both petitions, and respectfully ask that the deadline for filing such brief be similarly extended through and including July 21, 2020. This extension is needed to allow time to coordinate with co-counsel and the many other parties, especially in light of the complications

arising from the COVID-19 pandemic.

Petitioners do not object to this request.

Respectfully submitted,

Andrew Jay Schwartzman
Counsel for Benton Institute for Broadband & Society,
National Hispanic Media Coalition, National
Organization for Women Foundation, Media Alliance
and Media Counsel Hawai'i
