Re: *Sanofi-Aventis Deutschland GmbH v. Mylan Pharmaceuticals Inc.*,
No. 19-1451

Dear Mr. Harris:

I am counsel for respondents in the above-captioned case, in which the petition for certiorari was docketed on July 2, 2020, and a response to the petition is currently due on August 3, 2020.

Pursuant to Supreme Court Rule 30.4, respondents respectfully request a 21-day extension of time, to and including August 24, 2020, within which to file a response to the petition. The additional time is warranted due to significant professional obligations in pending matters, including close of fact discovery and submission of expert reports in *Cytonome/ST, LLC v. NanoCollect Biomedical, Inc.*, No. 1:19-cv-00301 (D. Del.), a patent infringement suit, and a hearing on a preliminary injunction in *MedImpact Healthcare Systems, Inc. v. California Department of Healthcare Services*, No. 37-2020-00007154 (Cal. Super. Ct., San Diego Cty.), a mandamus suit against the State of California.

The requested extension will allow for briefing to be completed before the end of the Court's summer recess. Counsel of record for petitioner has indicated that petitioner would not object to a 21-day extension.

Thank you for your attention to this matter.

Sincerely,

Douglas H. Carsten
