Re: Amy Corbitt v. Michael Vickers  
Number: 19-679

Dear Mr. Harris:

I represent Respondent Michael Vickers in the above-referenced matter.

Currently, my client's response to the Petition for Writ of Certiorari is due March 9, 2020. Previously, my client had requested and obtained one thirty (30) day extension of the time to file the response pursuant to Supreme Court Rule 30.4.

I respectfully request a thirty (30) day extension of time pursuant to Supreme Court Rule 30.4, which would make the new deadline April 8, 2020. The reasons for the request are the following:

I have two jury trials scheduled for the week of March 9, 2020 (one in Jeff Davis County Superior Court and one in Coffee County Superior Court). At least one of those scheduled trials will be reached, if not both.

I also have a trial scheduled to begin March 16, 2020 in Glynn County Superior Court. My trial preparation with regard to those three matters has limited, and will limit, the time I can devote to preparing the response brief in Corbitt to some extent.

The extension of time would allow me the ability to devote the time necessary to complete the response to the Petition.

Accordingly, I request a thirty (30) day extension of time in which to file the response to the Petition for Writ of Certiorari. With a thirty (30) day extension, the response deadline would be April 8, 2020. I do not know the position of the Petitioner with regard to this request as I emailed counsel early yesterday afternoon, but have not heard back. Nevertheless, I did not want to wait any longer to make this request.
