Re: Unity HealthCare v. Azar, No. 20-

Dear Mr. Harris:

Pursuant to Rule 12.6, I write to notify the Court of petitioner Unity HealthCare's belief that the following respondents have no interest in the outcome of Unity HealthCare's pending petition for certiorari:

St. Anthony Regional Hospital

Lakes Regional Healthcare

Both of the above respondents filed their own separate complaints against the Secretary of Health and Human Services ("Secretary") in the Northern District of Iowa, and appealed adverse judgments in those cases to the United States Court of Appeals for the Eighth Circuit. The Eighth Circuit subsequently consolidated the appeals filed by St. Anthony Regional Hospital and Lakes Regional Healthcare with the appeal filed by Unity HealthCare that was then pending in the Eighth Circuit, for purposes of oral argument and issuance of a decision.

Neither St. Anthony Regional Hospital nor Lakes Regional Healthcare has filed a petition for certiorari with respect to the Eighth Circuit's judgment in favor of the Secretary in the consolidated appeals, nor has either of those respondents filed an application for an extension of time to file a petition for certiorari. Based on these circumstances and on representations made by counsel for these respondents to counsel for Unity HealthCare following the disposition of the consolidated appeals, Unity HealthCare provides this Rule 12.6 notice.
