Re: *Donald J. Trump, et al. v. Deutsche Bank AG, et al.*, No. 19-760

Dear Mr. Harris:

I am counsel of record for Respondent Deutsche Bank AG in the above-captioned case.

Consistent with its position before the court of appeals and district court, Deutsche Bank AG takes no position on the merits of this case, which concerns a dispute between Petitioners and the U.S. House Respondents. Accordingly, Deutsche Bank AG does not intend to file a merits brief or participate in oral argument before this Court.

Sincerely,

Pratik A. Shah
