Re: *Ariana M. v. Humana Health Plan of Texas, Inc.*, No. 19-980

Dear Mr. Harris:

Pursuant to Rule 30.4, Respondent Humana Health Plan of Texas, Inc. ("Respondent") seeks a thirty-day extension to file its Brief in Opposition to Petitioner Ariana M.'s petition. The Petition was filed on February 5, 2020, and Respondent filed its initial waiver on March 1, 2020. The Court requested a Response on March 16, 2020, with a due date of April 15, 2020.

I am Counsel of Record for Respondent and respectfully request a thirty-day extension of that deadline, from April 15, 2020, to May 15, 2020. This request is necessitated by several factors. First, over the last week, both Respondent's employees and undersigned counsel have experienced delays and inefficiencies related to COVID-19, as we have transitioned to telework environments. Second, Respondent is consulting with additional practitioners who we anticipate will serve as co-counsel in preparation of the Brief in Opposition.

Accordingly, Respondent respectfully requests a thirty-day extension, to May 15, 2020, to deal with these contingencies. Thank you for your attention to this matter.

Respectfully submitted,

By:
