Re: No. 20-1043, *United States v. Cano*

Dear Mr. Harris:

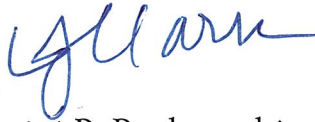

I am counsel of record for the Respondent in this case, Miguel Angel Cano. The government filed its petition for certiorari in this matter on January 29, 2021. Mr. Cano's response is currently due, after one extension, on March 31, 2021. Pursuant to Rule 30.4 of the Rules of this Court, I am now writing to request an additional extension of time, up to and including May 12, 2021, in which to file the brief in opposition.

This extension is necessary because I am currently working on multiple, time-sensitive filings in compassionate release cases stemming from the coronavirus pandemic and because I am involved in several appellate matters with upcoming briefing due dates. At the same time, this schedule will allow the case to be conferenced before the end of this Term. We have conferred with the Solicitor General's office, and I am authorized to say the government consents to this request.

Thank you for your attention to this matter.
