RE: Request for extension of time to file respondents' brief on the merits
Cedar Point Nursery v. Hassid, No. 20-107

Dear Ms. McNerney:

I am counsel for the respondents in this case. Petitioners filed their brief on the merits on December 31, 2020, making respondents' brief on the merits currently due Monday, February 1, 2021. *See* S. Ct. Rules 25.2, 30.1. Respondents respectfully request a 4-day extension, to and including Friday, February 5, 2021, in which to file their brief on the merits. Respondents request this short extension in order to provide additional time for counsel at the California Department of Justice and the California Agricultural Labor Relations Board to review and revise the brief. This is respondents' first request for an extension of time in which to file their brief on the merits. Counsel for petitioners have indicated that petitioners consent to this request.

Sincerely,

/s/ Joshua Patashnik
