On behalf of Respondent Gavin Grimm, I write to request a 60-day extension of Respondent's time to file a brief in opposition to the petition for writ of certiorari from March 26, 2021, to May 25, 2021.

Respondent seeks this extension in light of counsel's competing personal and professional obligations, including challenges resulting from the COVID-19 public health emergency and resulting disruptions to professional and personal life.

Petitioner through counsel has indicated they do not object to this request, provided that Respondent does not seek another extension.

Thank you for your attention to this matter.

Respectfully,

/s/ Joshua A. Block
