Re: *North American Meat Institute v. Rob Bonta, Attorney General of California et al.*, No. 20-1215

Dear Mr. Harris:

Pursuant to Rule 15.5, petitioner North American Meat Institute (“NAMI”) hereby waives the 14-day waiting period for distribution of the certiorari petition in this case.

The Court called for a response from respondents on April 22, 2021, and respondents have now filed their briefs in opposition. NAMI anticipates promptly filing a reply brief explaining why the Court should grant review, but in the event the Court does not receive the reply brief by June 8, NAMI requests that the petition be distributed without it. Prompt distribution of the petition will ensure that the Court can consider the petition in this time-sensitive matter at the June 24 conference, before the Court recesses for the summer.

Sincerely,

/s/Paul J. Zidlicky
