Re: *Pivotal Software, Inc., et al. v. Superior Court of California, City and County of San Francisco, et al.*, No. 20-1541

Dear Mr. Harris:

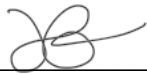

On September 2, 2021, this Court granted the parties' joint motion to remove this case from the oral argument calendar and hold further briefing in abeyance in light of an agreement in principle to settle this putative class action.¹ As promised in the joint motion, we write to provide an update to the Court regarding the status of settlement proceedings.

The parties are working diligently to negotiate and prepare the settlement documentation so that it can be submitted to the Superior Court of California for approval. The parties do not believe further action by this Court is warranted at this time. We will provide another update in 45 days.

¹ The Superior Court of California is a respondent but has not participated in the proceedings in this Court and did not join the motion. Accordingly, the term "parties" in this letter refers to the petitioners and the remaining respondents.
