Re: Bennett v. AFSCME Council 31 *et al.*, No. 20-1603

Dear Mr. Harris:

I write pursuant to Supreme Court Rule 30.4, as counsel for respondents AFSCME Council 31 and AFSCME Local 672 in the above-captioned matter, to request a 30-day extension of time for respondents to file Briefs in Opposition to the pending Petition for Certiorari. This request is being made because the Court issued a request for response in this matter on July 27, 2021, and I have numerous work responsibilities and a week of personal vacation already scheduled for August 2021. The requested enlargement of time would extend the due date for all respondents to September 27, 2021.

I have consulted with Jeffrey M. Schwab, counsel for Petitioner, who does not oppose the requested 30-day extension.

Thank you for your consideration of this matter.
