Re: Public Watchdogs v. Southern California Edison Company, et al.
S.Ct. No. 20-1676

Dear Mr. Harris,

The petition for a writ of certiorari in this case was filed on May 28, 2021. Although the Respondents Southern California Edison, San Diego Gas & Electric, Sempra Energy and Holtec International (collectively "Private Respondents") waived their right to file a response, the Court requested that a response be filed. The Private Respondents' response is now due on September 1, 2021.

The Private Respondents respectfully request, under Rule 30.4 of the rules of this Court, an extension of time to and including October 1, 2021, within which to file the Private Respondents' response. (The federal government filed a request today also seeking an extension to October 1, 2021.)

This extension is requested to complete preparation of the Private Respondents' response. The Private Respondents are four separate and distinct corporate parties who will file a single joint response. Private Respondents respectfully request the extension to allow them time to properly coordinate and prepare the single joint response. Private Respondents do not anticipate the need to request any further extensions.

Very truly yours,

Edward J. Casey
