RE: *William P. Barr, Attorney General, et al., v. Esteban Aleman Gonzalez, et al.*, (20-234)

Dear Mr. Harris:

Respondents write to request a 60-day extension of time to file a brief in opposition to the petition for writ of certiorari that was submitted on September 4, 2020. The response is currently due on October 13, 2020. Specifically, Respondents seek to extend the response time from October 13, 2020 to December 14, 2020. Respondents seek this extension in light of counsels' competing personal and professional obligations. First and foremost, the current public health emergency related to COVID-19 has forced the closure of each of the offices where Respondents' counsel normally work. In addition, the pandemic has forced closures of schools, camps, and child care facilities, which requires Respondents' counsel to care for minor children during this time. Meanwhile, in this context of reduced capacity, counsel for Respondents remain committed to other upcoming filings and arguments.

Petitioners through counsel have indicated they do not object to this request. Thank you for your attention to this matter.

Sincerely,

Matt Adams
Counsel for Respondents
