

IN THE SUPREME COURT OF THE UNITED STATES

HOLLYFRONTIER CHEYENNE REFINING, LLC, HOLLYFRONTIER REFINING &
MARKETING, LLC, HOLLYFRONTIER WOODS CROSS REFINING, LLC, & WYNNEWOOD
REFINING CO., LLC,

Petitioners,

v.

RENEWABLE FUELS ASSOCIATION, ET AL.,

Respondents.

**UNOPPOSED MOTION FOR LEAVE TO DISPENSE WITH THE
REQUIREMENT OF A JOINT APPENDIX**

Pursuant to Rules 21 and 26.8 of the Rules of this Court, Petitioners HollyFrontier Cheyenne Refining, LLC, HollyFrontier Refining & Marketing, LLC, HollyFrontier Woods Cross Refining, LLC, and Wynnewood Refining Co., LLC respectfully move for leave to dispense with the requirement of a joint appendix in the above-captioned case. Counsel for Respondents Renewable Fuels Association, et al., and counsel for Respondent Environmental Protection Agency have authorized undersigned counsel to state that they concur in this motion.

The question presented in this case is whether, in order to qualify for a hardship exemption under § 7545(o)(9)(B)(i) of the Renewable Fuel Standards, a small refinery needs to receive uninterrupted, continuous hardship exemptions for every year since 2011. The appendix and the supplemental appendix to the petition

for a writ of certiorari include all of the lower court opinions, orders, and other materials relevant to the question at issue. The parties do not believe that any other portion of the record merits special attention that warrants the preparation and expense of a joint appendix. Thus, a separate joint appendix would not materially assist in the Court's consideration of this case. For the foregoing reasons, the motion to dispense with the requirement of a joint appendix should be granted.

Respectfully submitted,

/s/ Ryan C. Morris
