Re: CBX Resources, L.L.C. v. ACE American Insurance Company, et al., No. 20-478

Dear Mr. Harris:

I am Counsel of Record for Respondents in the above-captioned case. I write pursuant to Supreme Court Rule 30.4 to respectfully request an extension of time of 30 days to file the response to the petition for a writ of certiorari. The Court requested a response on November 10, 2020, and the response is currently due December 10, 2020. If the extension is granted, the response would be due January 11, 2021.

The requested extension is justified for several reasons. This case involves issues with significant stakes for the parties. Additionally, I have principal responsibility for the drafting of Respondents' brief in opposition, but was not involved with the proceedings below. The additional time requested is therefore necessary for me to fully review the record, familiarize myself with the issues involved, and prepare an adequate brief for Respondents. Further, in addition to the upcoming holidays, I have multiple preexisting work conflicts during the current briefing period that have interfered with and will continue to interfere with my review of Petitioner's petition and preparation of Respondents' brief.

Thank you very much for your consideration. Please do not hesitate to contact me with any questions or concerns.

Sincerely,

/s/ Jonathan D. Hacker
