9. Do you expect any major changes to your monthly income or expenses...

On April 12, 2020, Bonnie Robles suffered a heart attack and "Medicare" does not allow for follow-up care or after-care. Nor does Medicare provide for safe transportation! (health experts declare public transportation unsafe for the sick and elderly)

Bonnie Robles is the "Petitioners" wife.

We pray it does not happen but we expect medical bills will only become more costly and the China virus is only making matters worse.

Should Petitioner's Writ be accepted by the full court the Petitioner is confident (based on Constitutional rights, current law, and the evidence) SCOTUS will award the Petitioner every benefit the VA (Respondent) is by law, required to provide to the Petitioner dating back to July 4, 2013.

9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

Yes     No    If yes, describe on an attached sheet.

10. Have you paid – or will you be paying – an attorney any money for services in connection with this case, including the completion of this form?     Yes     No

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

If yes, how much?           0          

If yes, state the person's name, address, and telephone number:           N/A          

12. Provide any other information that will help explain why you cannot pay the costs of this case. According to a Social Security Administrative Law Judge, the Petitioner is 100% disabled. (see: Robles v. U.S., SCOTUS No. 17-6118 and Robles v. BTA, SCOTUS No. 18-7595)

I declare under penalty of perjury that the foregoing is true and correct.
