Re: *PHI Air Medical, LLC v. Texas Mutual Insurance Company, et al.*, No. 20-748

Dear Mr. Harris:

We represent respondent Texas Department of Insurance, Division of Workers' Compensation. Briefs in opposition to the petition for certiorari are currently due March 8, 2021. Pursuant to Supreme Court Rule 30.4, we respectfully move for a 15-day extension of time for respondents to file briefs in opposition in this matter.

Counsel of record for the Division was involved in a car accident on February 24 that required medical attention. This accident interrupted counsel's ability to attend to numerous pressing litigation matters over several days, including the brief due next week in this matter. An additional 15-day period will enable counsel to properly coordinate with co-counsel and finalize briefs appropriately.

Counsel for petitioner PHI Air Medical, LLC, has consented to the requested extension.

Respectfully submitted.
