Re: *Ortiz v. Breslin*, No. 20-7846

Dear Mr. Harris,

In the above-referenced case, the Court has requested that respondents Dennis Breslin, Superintendent of Queensboro Correctional Facility, and the New York State Department of Corrections and Community Supervision, file a response to the petition for writ of certiorari by June 28, 2021. Respondents respectfully ask that the date by which they must file their response be extended 30 days to July 28, 2021.

There is good cause for this extension. Substantial additional client obligations pre-dating the receipt of the petition for a writ of certiorari and this Court's request for a response, including the preparation of briefs to be filed and/or oral arguments to be presented in this Court, the United States Court of Appeals for the Second Circuit, and various New York State appellate courts, render me and the other attorneys from my office assigned to this matter unable to file the requested response by the current deadline. Petitioner does not object to the extension sought herein.

Respectfully submitted,

BRIAN D. GINSBERG
Assistant Solicitor General
Counsel for Respondents
